**Save Yourself** Kelley Keehn, 2025-12-30 Bestselling author and financial educator Kelley Keehn blends neuroscience and evidence based strategies to help readers overcome barriers to financial security and take control of their future in an unpredictable world. Financial empowerment goes far beyond knowing how to budget or invest; it begins with understanding the powerful role that mindset, emotions, and psychology play in our decisions. In **Save Yourself**, Keehn uncovers the hidden patterns that sabotage financial stability and shows readers how to rewire their relationship with money to build long term confidence and resilience. Unlike traditional finance books that recycle outdated advice, **Save Yourself** addresses the realities of today's housing market, out-of-reach precarious jobs, side hustles, caregiving pressures, and rising costs that shape a new financial landscape. With compassion and clarity, Keehn provides practical strategies rooted in behavioural science to help readers navigate setbacks, protect their families, and make informed choices about wealth and legacy. Whether you're part of Gen Z navigating record debt and an uncertain job market, a Millennial striving to build wealth without owning property, a Gen Xer balancing kids and aging parents, or simply someone ready to finally take control, **Save Yourself** offers the tools, mindset shifts, and inspiration to move past harmful money myths and create lasting security in a changing world.
