Social Media in Musical Theatre

Trevor Boffone,2023-11-16 This book introduces readers to the widespread phenomenon of how social media platforms such as YouTube Twitter and TikTok become an extension of long standing aspects of musical theatre engagement Although casual observers may dismiss social media s import social media has revolutionized the field of musical theatre since the early days of Web 2 0 with spaces such as AOL LiveJournal and Myspace Now as social media continues to grow in relevance the nuanced ways in which digital platforms influence musical culture remain ripe for study Social Media in Musical Theatre moves beyond viewing social media merely as a passing fad or a space free from critical engagement Rather this volume takes a serious look at the critical role social media play in musicals thus challenging how social media users and musical theatre makers alike approach digital spaces This book introduces the relationship between musical theatre and social media in the 21st century as well as methods to study social media s influence on musicals through three in depth case studies organized around marketing on YouTube fan engagement on Twitter and new musical development on TikTok

Fantasy Review ,1985 The Way That Lives in the Heart Jean Elizabeth DeBernardi,2006 The Way That Lives in the Heart is a

richly detailed ethnographic analysis of the practice of Chinese religion in the modern multicultural Southeast Asian city of Penang Malaysia The book conveys both an understanding of shared religious practices and orientations and a sense of how individual men and women imagine represent and transform popular religious practices within the time and space of their own lives This work is original in three ways First the author investigates Penang Chinese religious practice as a total field of religious practice suggesting ways in which the religious culture including spirit mediumship has been transformed in the conjuncture with modernity Second the book emphasizes the way in which socially marginal spirit mediums use a religious anti language and unique religious rituals to set themselves apart from mainstream society Third the study investigates Penang Chinese religion as the product of a specific history rather than presenting an overgeneralized overview that claims
