Caprivi Freedom News:

Contesting Caprivi Bennett Kangumu, 2011 The author traces the politics of the people in Caprivi since 19th century. Neglected by Germany and South African colonial administrations its inhabitants were often pushed towards neighbouring territories though not being an integral part of them

Secessionism in African Politics Lotje de Vries, Pierre Englebert, Mareike Schomerus, 2018-08-20 Secessionism perseveres as a complex political phenomenon in Africa yet often a more in depth analysis is overshadowed by the aspirational simplicity of pursuing a new state. Using historical and contemporary approaches this edited volume offers the most exhaustive collection of empirical studies of African secessionism to date. The respected expert contributors put salient and lesser known cases into comparative perspective covering Biafra, Katanga, Eritrea and South Sudan alongside Barotseland, Cabinda and the Comoros among others. Suggesting that African secessionism can be understood through the categories of aspiration, grievance, performance and disenchantment the book's analytical framework promises to be a building block for future studies of the topic
