Captains And The Kings:

Captains and the Kings Taylor Caldwell, 2016-11-15 New York Times Bestseller Sweeping from the 1850s through the early 1920s this towering family saga examines the price of ambition and power Joseph Francis Xavier Armagh is twelve years old when he gets his first glimpse of the promised land of America through a dirty porthole in steerage on an Irish immigrant ship His long voyage dogged by tragedy ends not in the great city of New York but in the bigoted small town of Winfield Pennsylvania where his younger brother Sean and his infant sister Regina are sent to an orphanage Joseph toils at whatever work will pay a living wage and plans for the day he can take his siblings away from St Agnes s Orphanage and make a home for them all Joseph s journey will catapult him to the highest echelons of power and grant him entry into the most elite political circles Even as misfortune continues to follow the Armagh family like an ancient curse Joseph takes his revenge against the uncaring world that once took everything from him He orchestrates his eldest son Rory s political ascent from the offspring of an Irish immigrant to US senator And Joseph will settle for nothing less than the pinnacle of glory seeing his boy crowned the first Catholic president of the United States Spanning seventy years **Captains and the Kings** which was adapted into an eight part television miniseries is Taylor Caldwell s masterpiece about nineteenth and early twentieth century America and the grit ambition fortitude and sheer hubris it takes for an immigrant to survive and thrive in a dynamic new land

Lewis May,1930 Kings and Captains Charles Moorman,2021-05-11 Charles Moorman reexamines several major works of the western heroic tradition The Iliad The Odyssey Beowulf The Song of Roland The Nibelungenlied the Norse sagas and the Arthurian cycle Disregarding the usual limited definitions which have controlled the study of heroic literature he draws together these disparate works by proposing a theme common to them all the opposition of two major figures whom he names king and captain The figure of the king arises from the community with its need for responsible government while the captain derived from myth is a highly individualistic irresponsible heroic figure The tension which Moorman sees between them is used as a means of reinterpreting the works under study Though widely separated in time and cultural milieu The Iliad and The Song of Roland for example can be compared by interpreting both the Agamemnon Achilles and the Oliver Roland relationships as conflicts between king and captain These essays will prove illuminating for layman and scholar alike

The Captains and the Kings Mark Barkley,2016-01-20 If only beauty were a weapon then people would take it more seriously How well do we really know our families How long will we leave things unsaid that should be aired It was a time of change The time 1968 The place the O'Neill's Guest House in Kempsey New South Wales The patriarch of the family David is suffering from a terminal illness His wife Caitlin has organized a family gathering for what will be their final Father's day together While Caitlin faces an unsure future David is busy dealing with the ghosts of his past For years he has distanced his daughters and now he has the chance to gain redemption The Captains and The Kings was shortlisted in the 1992 inaugural George Landen Dann Award Its world premiere was presented by the Centenary Theatre Group Inc in association with The Edge Theatre Company at Chelmer Hall Brisbane on 11 November 1995 Captains and the Kings ,1973 This novel follows the growth of an Irish immigrant family from complete poverty to a position of wealth and political power Joseph Armagh is ruled by his desire for money and overcome by ambition for his children Along the way the family seems to have acquired a curse so that despite Joseph's multimillionaire position and being one of the world's most powerful and feared men the second generation and Armagh's reaps only misfortune and destruction Joseph's determination to make his handsome eldest son Rory the first Catholic President of the United States ends with the latter's assassination Certain parallels with that of

the Kennedy saga in the portraits and events of Caldwell s saga though set back in the 1850 1915 are apparent
