Capture You Paperback:

Keep Your Books Selling M.L. Ronn, 2021-11-29 When was the last time you updated one of your books It s probably been a while hasn t it When we become authors we publish our books and move on to the next story Then YEARS pass by and we realize there were so many things we missed Forgetting to update a book can cost you money Here are some examples of horror stories that might be lurking in your book portfolio Doing a promo and forgetting to change the price back Publishing a wrong version of a book Forgetting which book description you were supposed to use Losing your book files because of a virus or damage to your computer If your blood pressure is up don t worry we all make these mistakes from to time But if you want to become a prolific author AND make a good income you must learn to manage your books properly In this guide prolific author M L Ronn will teach you the system he adopted to manage his growing portfolio of 70 books of fiction and nonfiction You ll discover How to future proof your books to keep them selling How to always know what s going on with all your books on all retailers Tools to help you stay on top of managing your books How to anticipate changes at book retailers that could make your book files obsolete How to prepare your heirs to manage your books when you die This book will help you get more organized and make more money from your books If anything it ll stop you from losing money that you didn t know you were losing V1 0

Merchants of Culture John B. Thompson, 2021-04-14 These are turbulent times in the world of book publishing For nearly five centuries the methods and practices of book publishing remained largely unchanged but at the dawn of the twenty first century the industry finds itself faced with perhaps the greatest challenges since Gutenberg A combination of economic pressures and technological change is forcing publishers to alter their practices and think hard about the future of the books in the digital age In this book the first major study of trade publishing for more than 30 years Thompson situates the current challenges facing the industry in an historical context analysing the transformation of trade publishing in the United States and Britain since the 1960s He gives a detailed account of how the world of trade publishing really works dissecting the roles of publishers agents and booksellers and showing how their practices are shaped by a field that has a distinctive structure and dynamic This new paperback edition has been thoroughly revised and updated to take account of the most recent developments including the dramatic increase in ebook sales and its implications for the publishing industry and its future

The Great American Paperback Richard A. Lupoff,2001 Few realized in 1938 that a revolution was about to take place A little book appeared in drugstores and on newsstands that would fit into the typical pocket There was no real binding no dust jacket just a colorful laminated cover by summer of 1939 everybody was buying and reading them Regarded by many as disposable distractions a few people put them aside and started collections that we realize are a valuable and collectible archive of American culture From the glittering images of square jawed cowboys to the gritty slum dwellers of social realism The Great American Paperback is a bountiful museum of over 600 brilliant covers each of them a miniature gem evocative of the fashions and attitudes of its era book jacket
