*The Unofficial Guide Walt Disney World 2010* Bob Sehlinger,2009-08-18 In 2008 combined Walt Disney World Resort theme park attendance reached over 51 million with the Magic Kingdom alone drawing over 17 million visitors Orlando Convention and Visitor Bureau Despite significant downturns in the economy Disney theme parks have maintained attendance rates and made gains in attendance at some parks Walt Disney World Resort theme parks are rated best in the world earning high marks for things outside of the traditional theme park experience Epcot's International Food Wine Festival which takes place for six weeks every fall and showcases food from twenty five countries was rated by Forbes Traveler as one of the Best U.S. Food and Wine Festivals *Information Architecture* Louis Rosenfeld, Peter Morville, Jorge Arango, 2015-09-09

Information architecture IA is far more challenging and necessary than ever. With the glut of information available today anything your organization wants to share should be easy to find, navigate and understand. But the experience you provide has to be familiar and coherent across multiple interaction channels from the Web to smartphones, smartwatches and beyond. To guide you through this broad ecosystem this popular guide, now in its fourth edition, provides essential concepts, methods and techniques for digital design that have withstood the test of time. UX designers, product managers, developers and anyone involved in digital design will learn how to create semantic structures that will help people engage with your message. This book includes An overview of IA and the problems it solves for creating effective digital products and services. A deep dive into IA components including organization, labeling, navigation, search and metadata. Processes and methods that take you from research to strategy, design and IA implementation.
