Clinton Inc The Audacious Rebuilding Of A Political Machine:

Clinton, Inc. Daniel Halper, 2014-07-25 Juicy and gossipy yet scrupulously researched drawing on numerous on the record conversations with prominent Democrats and Clinton insiders Lloyd Grove The Daily Beast In the twelve years since the Clintons left the White House they have gone from being virtually penniless to multi millionaires and are arguably the most popular politicians in America respected and feared by Republicans and Democrats alike But behind that rise is a never before told story of strategic cleverness reckless gambles and an unquenchable thirst for political power Investigative reporter Daniel Halper uses a wealth of research exclusive documents and detailed interviews with close friends allies and enemies of the Clintons to reveal the strategy they used and the deals they made to turn their political fortunes around Clinton Inc exposes the relationship between President Obama the Bush family and the Clintons and what it means for the future how Bill and Hillary are laying the groundwork for the upcoming presidential campaign how Vice President Biden and other Democrats are trying to maneuver around her Chelsea s political future the Clintons skillful media management the Clintons marriage and why it has survived and an inside look at the Clinton s financial backers and hidden corporate enterprises Clinton Inc is the key to understanding America s most powerful political couple The Clintons reside at the peak of the American power elite Halper explains in riveting detail how they got there and how they stay there But Halper hasn t just produced a must read He s also opened an important and disturbing window into the current state of American politics and society William Kristol editor The Weekly Standard

The Clintons' War on Women Roger Stone, Robert

Morrow, 2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary s crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton s time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary s tenure as secretary of state about their time at the Clinton Foundation and during Hillary s current campaign for president This is the first book to shed light on the couple s deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family s darkest secrets including a Clinton family member s drug rehab treatment that was never reported by the press Hillary Clinton s unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary s push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing

explosive new information he's learned since the hardcover's release *Unlikeable* Edward Klein, 2015-09-28 Unlikeable is the stunning powerful expos of Hillary Clinton and her floundering race for the White House With unprecedented access to longtime associates of the Clintons and the Obamas investigative reporter Edward Klein meticulously recreates conversations and details of Hillary Clinton's behind the scenes plotting in Chappaqua and Whitehaven Klein the former editor in chief of New York Times Magazine and a contributing editor to Vanity Fair draws a deeply troubling portrait of Hillary Rodham Clinton a highly unlikeable presidential candidate and a woman more associated with scandal than with accomplishments with lying than with truth with arrogance than with compassion *My Turn* Doug Henwood, 2016-07-05 Hillary Clinton is running for the presidency with a message of hope and change But as Doug Henwood makes clear in this concise devastating indictment little trust can be placed in her campaign promises Rigorously reviewing her record Henwood shows how Clinton's positions on key issues have always blown with the breeze of expediency though generally around an axis of moralism and hawkishness Without a meaningful program other than a broad fealty to the status quo Henwood suggests the case for Hillary boils down to this she has experience she's a woman and it's her turn *The Ex Men* Giles Edwards, 2020-10-06 The men and women who created today's liberal democratic globalised world order may now have left public office but they have not retired So what are they doing and how does it affect the rest of us In *The Ex Men* Giles Edwards sets out to answer that question uncovering the many ways in which former Presidents and Prime Ministers continue to affect global public life From running international organisations to monitoring elections advising companies and charities and giving hundred thousand dollar speeches Giles takes us inside this often hidden world He has interviewed more than twenty former leaders from Presidents overthrown in coups to winners of Nobel Prizes He has spent time at their clubs and resorts spoken to the people who work with them and to the organisations and individuals who hire them *Talking Book Topics*, 2015-05

Problèmes économiques, 2016 **The Natural** Joe Klein, 2002 Joe Klein best selling author of Primary Colors and one of our most brilliant political analysts now tackles the subject he knows best Bill Clinton Astute even handed and keenly intelligent *The Natural* is the only book to read if you want to understand exactly what happened to the military to the economy to the American people to the country during Bill Clinton's presidency and how the decisions made during his tenure affect all of us today Much has been written about Clinton but *The Natural* is the first work to cut through the gossip scandals media hype and emotional turbulence that Clinton always engendered to step back and rationally analyze the eight years of his tenure a period during which America rose to unprecedented levels of prosperity Joe Klein puts that record into perspective showing us what worked and what didn't exactly what was accomplished and why and who was responsible for the successes and the failures We see how the Clinton White House functioned on the inside how it dealt with the maneuvers of Congress and the Gingrich revolution and who held power and made the decisions during the endless crises that beset the administration Klein's access to the White House over the years as a journalist gave him a prime spot from which to view

every crucial event both political and personal and he sets them forth in an insightful readable and completely engrossing manner The Natural is stern in its criticism and convincing with its praise It will cause endless debate amongst friends and foes of the Clinton administration It is a book that anyone interested in contemporary politics in American history or in the functioning of ourdemocracy should read *The Postmodern Presidency* Steven E. Schier,2012-02-15 Choice Outstanding Academic Book As America s first truly postmodern president Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics Clinton will forever be remembered as the first elected president to be impeached but will his tarnished legacy have lasting effects on America s political system Including the conflict in Kosovo the World Trade Organization meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton s presidency available in print The Postmodern Presidency examines Clinton s role in redefining the institution of the presidency and his affect on future presidents economic and foreign policies The contributors highlight the president s unprecedeted courtship of public opinion how polls affected policy how the president gained celebrity status how Clinton s postmodern style of public presidency helped him survive the 1994 elections and impeachment and how all of this might impact future presidents This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress with long term implications and costs to both Republicans and his own Democratic party while analyzing Clinton s effect on the 1990s culture wars the politics and importance of gender and the politics and policy of race This text is a must for anyone who studies teaches or has an interest in the American presidency and politics *HRC* Jonathan Allen,Amie Parnes,2015-02-17

The mesmerizing story of Hillary Clinton s political rebirth based on eyewitness accounts from deep inside her inner circle and featuring a new introduction from the authors Hillary Clinton s surprising defeat in the 2008 Democratic primary brought her to the nadir of her political career vanquished by a much younger opponent whose message of change and cutting edge tech team ran circles around her stodgy campaign And yet six years later she has reemerged as an even more powerful and influential figure a formidable stateswoman and the presumed front runner for the 2016 Democratic presidential nomination marking one of the great political comebacks in history The story of Hillary s phoenixlike rise is at the heart of *HRC* a riveting political biography that journeys into the heart of Hillaryland to discover a brilliant strategist at work Masterfully unfolded by Politico s Jonathan Allen and The Hill s Amie Parnes from more than two hundred top access interviews with Hillary s intimates colleagues supporters and enemies *HRC* portrays a seasoned operator who negotiates political and diplomatic worlds with equal savvy Loathed by the Obama team in the wake of the primary Hillary worked to become the president s greatest ally their fates intertwined in the work of reestablishing America on the world stage *HRC* puts readers in the room with Hillary during the most intense and pivotal moments of this era as she mulls the president elect s offer to join the administration pulls the strings to build a coalition for his war against Libya and scrambles to deal

with the fallout from the terrible events in Benghazi all while keeping one eye focused on 2016 HRC offers a rare look inside the merciless Clinton political machine as Bill Clinton handled the messy business of avenging Hillary's primary loss while she tried to remain above the partisan fray Exploring her friendships and alliances with Robert Gates David Petraeus Leon Panetta Joe Biden and the president himself Allen and Parnes show how Hillary fundamentally transformed the State Department through the force of her celebrity and her unparalleled knowledge of how power works in Washington Filled with deep reporting and immersive storytelling this remarkable portrait of the most important female politician in American history is an essential inside look at the woman who may be our next president *From the Center to the Edge* William C. Berman,2001-04-11 An historical interpretation of the politics and public policies of the Clinton administration Political historian William C Berman describes the origins evolution and transformation of Clinton's programs for change as well as the reasons for its various successes and failures Berman sheds light on both domestic matters such as welfare reform deficit reduction and the impeachment process and key foreign policy issues including American relations with Russia and China and the conflicts in Bosnia and Kosovo **Legacy** Richard Lowry,2003-09-01 Lowry presents a powerfully expressed and researched bill of indictment that will confront Bill and Hillary's own memoirs with an unanswerable challenge **A**

Convenient Death Alana Goodman,Daniel Halper,2020-06-02 Who killed Jeffrey Epstein Two journalists look for answers A must read for fans of the Netflix docuseries *Filthy Rich In A Convenient Death* investigative reporters Alana Goodman and Daniel Halper search for the truth of what really happened to Jeffrey Epstein With access to Epstein's victims and lawyers to doctors Wall Street insiders and law enforcement officers they reveal the dirty secrets and sinister ties that may have driven someone in Epstein's circle to take matters into their own hands On the morning of August 10 2019 Epstein friend and financier to the rich and powerful was found unresponsive in his prison cell in lower Manhattan where he awaited his second trial for sexual predation and other crimes He was rushed to a local hospital and one hour later pronounced dead by suicide Across the world a sinister web of powerful billionaires celebrities and politicians including Bill and Hillary Clinton had reason to sigh with relief at news of Epstein's death Having flown on his private planes and visited his many homes the sites of so many illicit activities they had much to lose if their transgressions were ever exposed And now Epstein was silenced for good But cracks in the official story soon emerged And the questions kept coming Why did the surveillance cameras in front of Epstein's cell stop working that night Why was Epstein's cellmate transferred out and never replaced Why was a high profile prisoner so suddenly taken off suicide watch and left unguarded for eight hours Was Epstein murdered to protect the powerful people who feared what he might reveal The American public deserves to know the truth With this book they can finally understand the facts and decide for themselves **False Hope** Norman Solomon,1994 **The Clinton Scandals and the Politics of Image Restoration** Joseph R. Blaney,William L. Benoit,2001-02-28 President Bill Clinton has been more than generous Blaney and Benoit point out in providing fodder for examination of image restoration in politics His accusers

have also done their part in making the public aware of the president's real and perceived shortcomings. As the authors detail, Bill Clinton has been the subject of a tremendous if not unprecedented amount of scrutiny by his personal and political enemies. Blaney and Benoit systematically review the background of the various scandals that have marred the Clinton presidency. They concentrate on the techniques used to advance the various accusations and the approaches taken by the president and his supporters to deflect the attacks. All scholars and researchers interested in political communication and rhetoric in contemporary American politics and the presidency will find this to be essential reading.

The Truth of Power

Benjamin R. Barber, 2008. In 1994, Benjamin R. Barber was invited by President Clinton to participate in a seminar on the future of democratic ideas and ideals. Following their meeting, Barber became an informal consultant to the Clinton White House, working with a president who proved to be an astonishing listener open to a variety of ideas. Barber's experiences were unexpected and enlightening, the most unpredictable being his interactions with the president himself. Barber's meditation on Bill Clinton's tenure in office offers a balanced and complex portrait of the Clinton administration, especially in its relationship to America's intellectual and scholarly community. Barber also identifies the true faultlines of power that future candidates must negotiate if they are to win an election. For this edition, Barber has written a new afterword reflecting on Clinton's vision problem, his controversial role in shaping today's Democratic Party, and his efforts to confront the challenges of interdependence and terrorism. He concludes with a provocative assessment of Hillary Clinton as a Democratic primary candidate in the battle for the presidency.

42 Michael Nelson, Barbara A. Perry, Russell L. Riley, 2016-07-14

This book uses hundreds of hours of newly opened interviews and other sources to illuminate the life and times of the nation's forty-second president, Bill Clinton. Combining the authoritative perspective of these inside accounts with the analytic powers of some of America's most distinguished presidential scholars, the essays assembled here offer a major advance in our collective understanding of the Clinton White House. Included are path-breaking chapters on the major domestic and foreign policy initiatives of the Clinton years, as well as objective discussions of political success and failure. 42 is the first book to make extensive use of previously closed interviews collected for the Clinton Presidential History Project, conducted by the Presidential Oral History Program of the University of Virginia's Miller Center. These interviews, recorded by teams of scholars working under a veil of strict confidentiality, explored officials' memories of their service with President Clinton and their careers prior to joining the administration. Interviewees also offered political and leadership lessons they had gleaned as eyewitnesses to and shapers of history. Their spoken recollections provide invaluable detail about the inner history of the presidency in an age when personal diaries and discursive letters are seldom written. The authors producing this volume had first access to more than fifty of these cleared interviews, including sessions with White House chiefs of staff Mack McLarty and Leon Panetta, Secretaries of State Warren Christopher and Madeleine Albright, National Security Advisors Anthony Lake and Sandy Berger, and a host of political advisors who guided Clinton into the White House and helped keep him there. This

book thus provides a multidimensional portrait of Bill Clinton's administration drawing largely on the observations of those who knew it best *Bill Clinton* Patrick J. Maney, 2021-04-15 Of the original Gilded Age historian Richard Hofstadter wrote There is no other period in the nation's history when politics seems so completely dwarfed by economic changes none in which the life of the country rests so completely in the hands of the industrial entrepreneur The era of William Jefferson Clinton's ascent to the presidency was strikingly similar nothing less Clinton himself said than a paradigm shift from the industrial age to an information technology age from the Cold War to a global society How Bill Clinton met the challenges of this new Gilded Age is the subject of Patrick J Maney's book an in depth perspective on the 42nd president of the United States and the transformative era over which he presided Bill Clinton New Gilded Age President goes beyond personality and politics to examine the critical issues of the day economic and fiscal policy business and financial deregulation healthcare and welfare reform and foreign affairs in a post Cold War world But at its heart is Bill Clinton in all his guises the first baby boomer to reach the White House the natural the most gifted politician of his generation but one with an inexplicably careless and self destructive streak the Comeback Kid repeatedly overcoming long odds the survivor frequently down but never out and with Hillary Rodham Clinton part of the most controversial First Couple since Franklin and Eleanor Roosevelt Maney's book is in sum the most succinct and up to date study of the Clinton presidency invaluable not merely for understanding a transformative era in American history but presidential national and global politics today

My Life Bill Clinton, 2004-06-22 President Bill Clinton's *My Life* is the strikingly candid portrait of a global leader who decided early in life to devote his intellectual and political gifts and his extraordinary capacity for hard work to serving the public It shows us the progress of a remarkable American who through his own enormous energies and efforts made the unlikely journey from Hope Arkansas to the White House a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life in college working as an intern for Senator William Fulbright at Oxford becoming part of the Vietnam War protest movement at Yale Law School campaigning on the grassroots level for Democratic candidates back in Arkansas running for Congress attorney general and governor We see his career shaped by his resolute determination to improve the life of his fellow citizens an unfaltering commitment to civil rights and an exceptional understanding of the practicalities of political life We come to understand the emotional pressures of his youth born after his father's death caught in the dysfunctional relationship between his feisty nurturing mother and his abusive stepfather whom he never ceased to love and whose name he took drawn to the brilliant compelling Hillary Rodham whom he was determined to marry passionately devoted from her infancy to their daughter Chelsea and to the entire experience of fatherhood slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior President Clinton's book is also the fullest most concretely detailed most nuanced account of a presidency ever written encompassing not only the high points and crises but the way the presidency actually works the day to day bombardment of problems personalities conflicts

setbacks achievements It is a testament to the positive impact on America and on the world of his work and his ideals It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right and how he survived and prevailed It is a treasury of moments caught alive among them The ten year old boy watching the national political conventions on his family s new and first television set The young candidate looking for votes in the Arkansas hills and the local seer who tells him Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box You ll win here But it ll be the only damn place you win in this county He was right on both counts The roller coaster ride of the 1992 campaign The extraordinarily frank exchanges with Newt Gingrich and Bob Dole The delicate manipulation needed to convince Rabin and Arafat to shake hands for the camera while keeping Arafat from kissing Rabin The cost both public and private of the scandal that threatened the presidency Here is the life of a great national and international figure revealed with all his talents and contradictions told openly directly in his own completely recognizable voice A unique book by a unique American **The Clinton Wars** Sidney Blumenthal,2003-05-23 With a reporter s keen eye for telling detail a former advisor reconstructs the political turmoil of the Clinton presidency Powerful Persuasive Robert Dallek The New York Times Book Review When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor the former journalist was catapulted into the front lines of the Clinton wars From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial Blumenthal acted in or witnessed nearly all the battles of the Clinton years The Clinton Wars begins in 1987 when Blumenthal first met Bill and Hillary Clinton His chronicle of Clinton s first presidential campaign and first term draws on his experiences as confidant to both the President and the First Lady and is enriched with previously unpublished revelations about both This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton s presence on the national scene The narrative of Clinton s second term is even more dramatic Blumenthal takes special note of the battle that was waged within the media between the President s detractors and defenders which he expands into a vivid picture of Washington society torn apart by warring factions But he does not neglect the wars fought on other fronts in Kosovo against Congress and for economic prosperity Every page of this authoritative book attests to Blumenthal s unique perspective on crucial events of America s recent political past The Clinton Wars is a lasting contribution to American history Riveting Blumenthal s account of the right wing conspiracy which sought to annihilate Clinton is both chilling and irrefutable Adrienne Miller Esquire Brutally revealing Andrew Sullivan The New York Observer
