Industrial Development Planning Asian Development Bank Institute, 2007 **□□□□□**, 2011 **American Book Publishing Record**, 2006 **Dynamic Industrial Policy in Africa** United Nations Economic Commission for Africa, 2014 For millions of Africans, growth is yet to translate into jobs and better living conditions. Africa's largely commodity-driven growth has not been matched by the much-needed structural change that can lead to economic transformation, employment and reduced poverty. Market failures necessitate industrial policy interventions. Yet in the absence of the right processes and institutions, good industrial policies will fail. Indeed, weak institutions and poor policy design have hindered industrial policy. This report gives a framework for getting the policy process right to foster industrialization. It uses 11 country case studies to assess the critical ingredients for spurring industrialization: innovative institutions, effective processes and flexible mechanisms and structural transformation. **International Labour Review**, 2007
