**Bonded** Kate A Fox, 2021-06-25 I've been pulled from the only home I've ever known. I've been called the Queen of Freaks. I've been attacked and killed. Yes, I know how that sounds. I've been forced into hiding, captured and imprisoned, but by far the worst thing is the thing that tops all that is being told: that I have to fight the sister I didn't know I had. I know what you're thinking: Siblings fight all the time, right? Well, not like this. When you find out you are a magical twin, all the normal family rules fly out of the window. One of us won't make it out alive. Meanwhile, my sister has been training for this day all her life, while I just found out a couple of weeks ago that I have a twin and we're meant to kill each other. But Celestria doesn't plan to make things easy on me and my father is on her side. With my family and friends risking their lives to save me, I only have a few days to train and learn everything I can to survive. Wish me luck.

*Spookybrook Witch Academy Year One* Annalise Clark, 2021-10-26 As the driver pulled the car up to the large wrought iron gates, Vivian had no idea that the new boarding school her father had sent her to was actually a Witch Academy. In fact, Vivian had no idea witches even existed. But she was about to get a crash course in all things magical because as soon as she is enrolled, she was thrust into the middle of spells and incantations, potions and mindreading, and even familiars and magical books. With hardly enough time to catch her breath, she's told she needs to learn her very first spell how to protect her thoughts from mindreading. And the next day she is to start classes in witch school. The first step was to take a Magical Placement Test to see which of the eight Magic Types she would major in: Illusionary, Incantation, Alchemy, Physics, Elemental, Telekinesis, Healing, and Nature. Unfortunately, the test results wouldn't be so easy for Vivian. Before they can get to the bottom of her unusual test results, strange things start happening at the Academy. She's just getting the hang of this magic thing and her new school when an evil magic attacks. And as she works together with some unlikely allies to fight the attacker, she discovers she knows a lot more about magic than she ever realized before. Things were getting crazy already and this was only the beginning. This is book one in the Spookybrook Witch Academy series. This series is intended to be read in order. This is an upper YA paranormal academy series with fantasy elements. It is NOT a reverse harem series.

*Enchanter Witch Academy* Paige Stonebank, 2020-04-18 I've always been an outcast, a freak, a girl with too much power and too little control. I've been a coward, hiding behind the people around me in order to remain in the shadows. The fire within me grows stronger every day and it is starting to consume me. My magic is too much for a mortal body to handle alone. I have to find a way to control it or lose my life to the flames. But when mysterious things begin happening with my magic, things that no one thought possible, a dark power makes itself known too. The Dark Brotherhood has only one weakness: me. They are after me and they will stop at nothing until my head is on a spike. There are few people I can trust and even they might betray me. I have to think clearly about who I can trust and who I can't. What will happen if I make the wrong decision? And what will happen when a new potential ally enters the picture? Do I take a risk and put my life in his hands or do I send him on his way? Only time will tell. Of course magic is real. Everybody knows that. Since it came out on the news that Supernaturals exist I've heard they can do spells, shapeshift, live forever, you name it. Wonderful right? Whatever. In my world where I'm homeless and spend my time avoiding rats and meth heads, magic sounds like major BS. But when I'm accused of stealing and they're about to arrest me, the item I took disappears from my hand as if by magic. WTF. Just like that, the Supernatural Academy swoops in and recruits me. But I don't belong there and everyone else agrees, including Rowan Underwood, this rich and annoyingly handsome warlock who has it in for me. He's investigating the theft of magical artifacts and he thinks I'm involved. Seriously. I just got here. But I can't worry about that, not while dead kings try to drain my essence or a spell from these angry pixie minotaurs sends my hair follicles into overdrive until I look like Cousin It. Yet I can't avoid Rowan and while I learn enough magic to stay alive, I also need to keep myself from falling for a guy who's clearly my worst decision ever. You'll love this magical academy book because everyone wants a chance to become who they are truly meant to be. Get it now.
