**Robert R. Redfield**

## **Personal Finance Success Paperback:**

Psychology Of Financial Success Book Option,2024-02-05 Do you want to be financially successful Are you tired of being in debt Are you tired of not being able to afford the lifestyle you want to live Well if you are willing and ready to put in your time and effort into achieving real financial success then this Book is for you Most of my students are often surprised when I tell them that financial success is not about how much you earn Pretty shocking right After all you would think that the more you earn the more stuff you can afford and the better your life would be Not exactly Your financial success and your success in general rarely depends on the amount of money that you are making This however does not mean that we can be careless about the money that we make or that somehow money is not important Personal finance is an extremely important aspect of our lives If we are careless about our personal finances we are also careless about all the other important areas of our lives like our relationships our careers our education etc Mastering your personal finances is a very important step that we all have to accomplish But what does success mean to you To me success means happiness love fulfilment freedom and opportunities And every single day I meet people who are not successful whether they are wealthy businessmen or businesswomen or fresh college grads who are barely making their ends meet They are not successful because they have not mastered their personal finance They are not successful because they did not yet understand success So in this Book I want to help you understand success I want to help you master one very important aspect of our lives our personal finance So are you ready to take control of your life and your personal finance Are you ready to start taking responsibility for your finances Are you ready to finally start taking steps towards building wealth and achieving that financial freedom Well if you are ready let s start this journey

**Wealth** Steven Hromin,2020-11-11 Transform your financial life Fix your finances Create wealth for yourself Millions of Americans struggle to grow their wealth often due to a variety of reasons As of recently the student loan issue has become a burgeoning crisis that precludes people from paying themselves first Real wages have stagnated for the average worker with real purchasing power failing to increase materially over the last 40 years Elsewhere rising costs in healthcare and housing have further constricted budgets leading to reduced bottom line savings All of these factors have made it difficult for people to save invest and grow wealth How do we combat these factors and create a better financial future for ourselves How should we educate ourselves about budgeting investing and financial planning Enter WEALTH a book that intends to answer these questions and provide much needed advice to anyone seeking to improve their financial standing Learn how to make your money work for you The aim of WEALTH is to help advise those who would like to learn more about personal finance This text explains how individuals can help themselves within the areas of budgeting investing and saving for goals such as higher education and retirement Picking up WEALTH will inform you about how you can improve your current financial situation and achieve goals you previously thought were impossible Throughout this text we will discuss and educate ourselves about the following topics Creating the Proper Mindset for Success Budgeting Investing

Student Loans Various Types of Consumer Debt including Mortgages and Credit Cards Wedding and Marriage Planning Saving for your Child's College Expenses Planning for Retirement WEALTH will be your first step towards a brighter tomorrow Pay yourself first and invest in your future

**Personal Finances** Larry Burkett, 1998 Do I really need a budget How can I get out of debt Should I give my kids an allowance Should Christians lend money and charge interest These questions and many others were often asked of respected Christian financial counselor Larry Burkett To answer them in a direct and brief way and help you discover the way to financial wisdom Larry wrote Personal Finances To manage your finances correctly you need a budget Get on board with the basics of wise financial planning From the youngest member of your family to the oldest budgeting should accompany income Learn how to create a budget and what it takes to stick with it in Personal Finances This book is a handy quick reference book and is great for individuals and families It gives readers the basics on creating and maintaining a budget
