**Odd Girl Roar: A quirky romantic comedy** Merren Tait, 2022-11-01 When I called the mayor a cockwomble it didn't go down well Jewel Bauer has always been the underdog in whatever situation she lands in and unfortunately her act now think later approach to life or as she puts it being the biggest numpty this side of planet Spackbrain doesn't help her chances of beating the odds Moving to a small town to kick start her life she finally finds a place a family to belong to The group of fellow oddballs who welcome her into their fold seem to understand her the tall broad shouldered quiet one a little more so than the rest When a failed politician with questionable ethics and an even more questionable agenda seeks to establish power in her new community Jewel knows she must stop him even if the only political experience she has is insulting mayors What's the logical solution Mount an opposing political campaign with her small family of social misfits of course Jewel and her friends quickly find themselves out of their depth fighting a political veteran who knows all the tricks to win voters over and the resulting comedy of errors threatens to break the group apart But Jewel's not afraid of casting a stone at the giant or several to see which will fell him The question is How devious and dangerous a stone does she need And will it ruin her first shot at love Odd Girl Roar is the final of four stand alone novels in the award winning Good Life series *The Lucy Falls Series Box Set* E.R. Whyte, For the men of small town Lucy Falls protecting the women they love is something that comes naturally In Play Me False a professor discovers her husband was never really hers but maybe her hot teacher's assistant is Will they have a chance at a happy ever after though when her deranged ex has other ideas In the duet Speak No Secrets Tell No Lies a student uncovers his young teacher's dirty little secret He has a thing for her but a stalker does too In Trust the Liar an inactive duty officer fleeing from a past full of secrets runs headfirst into the arms of the man who is supposed to kill her Instead of carrying out his assignment he kidnaps her spiriting her away to a remote cabin in a frozen wilderness Readers call these books engaging heart pounding and all consuming In Lucy Falls the town may be small but the suspense is chilling and the heat is anything but Pick up anywhere in the series and start reading today **Make / Believe** John Hartley, 2025-01-23 This book illustrates that mediated popular culture and science based knowledge systems entangled and compromised as both have become are still a robust crucible for system change for the future when they combine forces Planetary crises require responses from everyone This means that collective action is not simply a scientific or political problem It is a problem of culture and media But modern politics journalism and science were not designed for global climate action They've divided humans into competitive and often hostile we and they groups Identity news and knowledge are all weaponized Culture makes groups groups make knowledge and knowledge makes enemies What can be done to prevent global conflict and the drift to war Make Believe turns to popular culture and social media to argue for an alternative storyline While the Great Powers are making new enemies emergent classes led by children are using planetary connectivity to make new worlds A digital planet generates new kinds of strategic stories for pan human action based on difference

intersectionality and cooperation for a sustainable Earth system Make Believe shows how alternatives to the Great Game of global contestation are gathering strength in unlikely places among women children lifestyle and pop culture Popular digital media literacy is now a prerequisite for the remediation of the planet
