among my treasures If it had been a picture I should have had it framed and hung up over my desk a perpetual admonition to me to do my work well not too fast not too much of it not with any showy false polish not letting anything go till I had done all I could to make it what it should be In telling this little story I have told thousands of stories Take the word hammer out of it and put glue in its place and you have the history of Peter Cooper By putting in other words you can make the true history of every great business in the world which has lasted thirty years The true protective system of which we hear so much is to make the best article and he who does this need not buy a ticket for Colorado ICHABOD WASHBURN WIRE MAKER Of all our manufactures few have had a more rapid development than wire making During the last thirty years the world has been girdled by telegraphic wires We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Captains of Industry: David Maydole James Parton,1912
