Have you ever noticed how often we use the word time in our everyday conversations? Not only are we acutely aware of the passage of time but our speech is also littered with references to it. We kill and waste time. Time flies or sometimes it crawls. We refer to time in countless expressions and figures of speech. Chuck Pierce tackles the subject of time specifically as it relates to God and our relationship with Him, addressing some transcendental questions such as how can we tell when we get out of step with God's timing. Pierce moves readers from viewing time as a philosophy or a curse to seeing it as a real gift from God, presenting a new reality of space, time, spirit and truth as they advance through the pages. This book is for everyone who wants to take back their life, take their place above the linear timeline and learn to live on earth influenced and empowered by an eternal God.
