**The Parents** Claire Seeber,2021-10-25 My heart is still pounding I can confidently say this is one of the best psychological thrillers I've ever read An easy 5 stars The plot twists are gut wrenching This is perfect for fans of Big Little Lies Goodreads reviewer The other parents all seem so perfect But it's not long before I realise I should have never made friends with them I knew it wouldn't be easy for my kids to adjust when we moved to a tiny village where they didn't know a soul But after the death of my husband we needed a fresh start Suddenly we're outsiders I know the only way we'll be accepted is if I throw myself into my new life so when my son joins a local club I volunteer to help along with the other parents Before moving here I didn't know people like this really existed their lives seem too perfect to be real Although my own life couldn't be more different they welcome me into the fold For the first time since my husband died I feel like I made the right decision for my family That is until I overhear something that tells me these other parents aren't as perfect as they seem Something that turns my world upside down again My secret has already ruined my life once I thought the truth had died with my husband I should have known that it wouldn't be buried for long A completely addictive page turner about the secrets and lies hiding beneath seemingly perfect lives Fans of Big Little Lies Lisa Jewell and Louise Candlish will be absolutely hooked by this pacy read with a jaw dropping twist you just won't see coming Readers are utterly gripped by The Parents Amazing Holy cow This was a freaking fabulous book My hands were literally glued to my reader Held me captive If real life hadn't interfered I am sure I would have finished this book in one day A page turner Five star read all day oh happy reading This is everything you want kept me on my TOES I could not put this one down NetGalley reviewer Incredible so twisty and suspenseful and had me on the edge of my seat I couldn't put it down and more importantly I didn't want to Such a good book Goodreads reviewer Hooked me in so much I honestly loved Fantastic Goodreads reviewer Amazing book Kept me engrossed for hours I couldn't put it down NetGalley reviewer Addictive page turner I read in one
