The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book-level arcs that serve a bigger long-form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

The Story of You and Me Pamela DuMond, [Discover Tina Folsom](#) Tina Folsom, 2025-05-22 I've put together this collection to help new readers get acquainted with my writing.
