from a Action Adventure Author like him and then there s the added advantage of finally figuring out a niche for my book So now instead of calling it a Young Adult Space Opera I ll be calling it The book that resembles Star Wars or maybe A young adult Dystopian space opera Q Why should readers give these books a try A Well I d say if someone wanted a quick easy read with action packed adventures this is the novel for them Most people love space exploration adventures and this one combines them with another amazing story tool magic So if you want to know what would happen if magic existed in a high tech space world this is the book for you Q How many books are in the Quest Saga A I ve planned this out to be a series of five books So far there are three stories and I m actively writing the next two in the series ConQuest Get it for free <http://www.amazon.com/dp/B00HV4Y3VK> ZeQuest A Quest Saga Novella Save 70% and buy it NOW <http://www.amazon.com/dp/B015T56UBS> AcQuest Available for pre order <http://www.amazon.com/dp/B015RYI2NU> Categories Young Adult Science Fiction Action Adventure Novel Series Young Adult Fantasy Action Adventure Novel Series Young Adult Novella Science Fiction Adventure Novella Space Opera Trilogy Space Opera Science Fiction Novels Space Opera Technothriller **Space Opera** Catherynne M.
