## **Codes Guidebook For Interiors Study Guide:**

Study Guide for The Codes Guidebook for Interiors Sharon K. Harmon, Katherine E. Kennon, 2014-08-25 Gain a reflexive knowledge of interior codes with this comprehensive study guide. The Codes Guidebook for Interiors is the industry reference of choice with complete coverage of all codes and standards that apply to interiors. This Study Guide provides a thorough review of The Codes Guidebook complete with practice questions, code tables, and checklists helping designers and architects prepare for the NCIDQ and ARE exams. Designed as a companion to The Codes Guidebook 6th Edition, this guide covers the latest requirements, standards, terminology, and federal regulations including the 2012 ICC changes to the ADA standards and ICC ASI requirements as well as expanded information on green construction. Readers get the opportunity to test their understanding of interior codes and think more deeply about real world applications. It's essential that designers and architects have an up-to-date working knowledge of the various codes involved with building interiors whether during renovation or new construction. This Study Guide helps increase retention and recall of the information presented in The Codes Guidebook by enabling readers to learn key terms chapter by chapter. Test code knowledge with practice questions and problem scenarios. Refer to code tables during the design process. Use included checklists to ensure complete compliance. The Codes Guidebook is an essential reference for all interior professionals and this Study Guide provides a concise review. Useful as exam prep or even just as a self-test, this guide distills the original's exhaustive information into manageable chunks. For the designer, architect, or student, the Study Guide for The Codes Guidebook for Interiors is a must-have resource for complete code comprehension.
