

GENESIS 1 COMMENTARY

EDITED BY GLENN PEASE

The Beginning

1 In the beginning God created the heavens and the earth.

BARNES, " - Section 1 - The Creation

- The Absolute Creation

בָּרָא *barā'*, the "head-part, beginning" of a thing, in point of time [Gen. 1:1:10](#), or value [Pro. 11:7](#). Its opposite is **בָּרַא** *barā'* [Isa. 46:10](#). **בָּרָא** *barā'*, "in the beginning," is always used in reference to time. Here only is it taken absolutely.

כָּreּא *kāre'*; "create, give being to something new." It always has God for its subject. Its object may be anything: matter [Gen. 1:11](#); animal life [Gen. 1:21](#); spiritual life [Gen. 1:27](#). Hence, creation is not confined to a single point of time. Whenever anything absolutely new - that is, not involved in anything previously extant - is called into existence, there is creation [Num. 16:30](#). Any thing or event may also be said to be created by Him, who created the whole system of nature to which it belongs [Mal. 2:10](#). The verb in its simple form occurs forty-eight times (of which eleven are in Genesis, fourteen in the whole Pentateuch, and twenty-one in Isaiah), and always in one sense.

אֱלֹהִים *elohim*, "God." The noun **אֱלֹהִים** *elohim* or **אֱלֹהִיָּה** *elohiyah* is found in the Hebrew scriptures fifty-seven times in the singular (of which two are in Deuteronomy, and forty-one in the book of Job), and about three thousand times in the plural, of which seventeen are in Job. The Chaldee form **אֱלֹהִים** *elohim* occurs about seventy-four times in the singular, and ten in the plural. The Hebrew letter **א** (*A*) is proved to be radical, not only by bearing mappiq, but also by keeping its ground before a formative ending. The Arabic verb, with the same radicals, seems rather to borrow from it than to lend the meaning *colsum*, "worshipped," which it sometimes has. The root probably means to be "lasting, binding, firm, strong." Hence, the noun means the Everlasting, and in the plural, the Eternal Powers. It is correctly rendered God, the name of the Eternal and Supreme Being in our language, which perhaps originally meant lord or ruler. And, like this, it is a common or appellative noun. This is evinced by its direct use and indirect applications.

Its direct use is either proper or improper, according to the object to which it is applied. Every instance of its proper use manifestly determines its meaning to be the Eternal, the Almighty, who is Himself without beginning, and has within Himself the power of causing other things, personal and impersonal, to be, and on this event is the

commentary for today's world. The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: LISTEN to the Story, Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story; EXPLAIN the Story, Explores and illuminates each text as embedded in its canonical and historical setting; and LIVE the Story, Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. Genesis: The book of Genesis is as the name implies a book of beginnings, the beginning of the cosmos, the beginning of humanity, the beginning of Israel, a prequel to the main story of the Pentateuch. In narrative terms, a beginning leads to a middle and to an end. The book, in other words, is ultimately not to be read isolated from the rest of the Pentateuch, the Old Testament, or finally the Christian canon as a whole. Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians, The Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.

[Commentary on Genesis](#) Didymus the Blind, 2016-04-15 Blind since early childhood the Egyptian theologian and monk Didymus (ca 313-398) wielded a masterful knowledge of Scripture philosophy and previous biblical interpretation earning the esteem of his contemporaries Athanasius, Antony of Egypt, Jerome, Rufinus and Palladius as well as of the historians Socrates and Theodoret. In the decades following his death He was however anathematized by the Fifth Ecumenical Council in 553 because of his utilization and defense of the works of Origen and this condemnation may be responsible for the loss of many of Didymus's writings. Jerome and Palladius mentioned that Didymus had written commentaries on Old Testament books these.
