

COMMON CORE STATE STANDARDS WRITING RUBRICS (GRADES 11-12) ARGUMENT

ARGUMENT					
Description	5 Exceptional	4 Skilled	3 Proficient	2 Developing	1 Inadequate
Claim: The text introduces a clear, arguable claim that can be supported by reasons and evidence.	The text introduces a compelling claim that is clearly arguable and takes a purposeful position on an issue. The text has a structure and organization that is carefully crafted to support the claim.	The text introduces a precise claim that is clearly arguable and takes an identifiable position on an issue. The text has an effective structure and organization that is aligned with the claim.	The text introduces a claim that is arguable and takes a position. The text has a structure and organization that is aligned with the claim.	The text contains an unclear or emerging claim that suggests a vague position. The text attempts a structure and organization to support the position.	The text contains an unidentifiable claim or vague position. The text has limited structure and organization.
Development: The text provides sufficient data and evidence to back up the claim while pointing out the strengths and limitations of both the claim and counterclaims. The text provides a conclusion that supports the argument.	The text provides convincing and relevant data and evidence to back up the claim and skillfully addresses counterclaims. The conclusion effectively strengthens the claim and evidence.	The text provides sufficient and relevant data and evidence to back up the claim and fairly addresses counterclaims. The conclusion effectively reinforces the claim and evidence.	The text provides data and evidence to back up the claim and addresses counterclaims. The conclusion ties to the claim and evidence.	The text provides data and evidence that attempt to back up the claim and vaguely addresses counterclaims or lacks counterclaims. The conclusion merely restates the position.	The text contains limited data and evidence related to the claim and counterclaims or lacks counterclaims. The text may fail to conclude the argument or position.
Audience: The text anticipates the audience's knowledge level, concerns, values, and possible biases about the claim. The text addresses the specific needs of the audience.	The text consistently addresses the audience's knowledge level, concerns, values, and possible biases about the claim. The text addresses the specific needs of the audience.	The text anticipates the audience's knowledge level, concerns, values, and possible biases about the claim. The text addresses the specific needs of the audience.	The text considers the audience's knowledge level, concerns, values, and possible biases about the claim. The text addresses the needs of the audience.	The text illustrates an inconsistent awareness of the audience's knowledge level and needs.	The text lacks an awareness of the audience's knowledge level and needs.
Cohesion: The text uses words, phrases, and clauses as well as varied syntax to link the major sections of the text, create cohesion and clarify the relationship between the claim and reasons, between reasons and evidence, and between claims and counterclaims.	The text strategically uses words, phrases, and clauses as well as varied syntax to link the major sections of the text. The text explains the relationships between the claim and reasons as well as the evidence. The text strategically links the counterclaims to the claim.	The text skillfully uses words, phrases, and clauses as well as varied syntax to link the major sections of the text. The text identifies the relationship between the claim and reasons as well as the evidence. The text effectively links the counterclaims to the claim.	The text uses words, phrases, and clauses as well as varied syntax to link the major sections of the text. The text connects the claim and reasons. The text links the counterclaims to the claim.	The text contains limited words, phrases, and clauses to link the major sections of the text. The text attempts to connect the claim and reasons.	The text contains few, if any, words, phrases, and clauses to link the major sections of the text. The text does not connect the claims and reasons.
Style and Conventions: The text presents a formal, objective tone that demonstrates standard English conventions of usage and mechanics while attending to the norms of the discipline (i.e. MLA, APA, etc.).	The text presents an engaging, formal and objective tone. The text intentionally uses standard English conventions of usage and mechanics while attending to the norms of the discipline (i.e. MLA, APA, etc.).	The text presents a formal, objective tone. The text demonstrates standard English conventions of usage and mechanics while attending to the norms of the discipline (i.e. MLA, APA, etc.).	The text presents a formal tone. The text demonstrates standard English conventions of usage and mechanics while attending to the norms of the discipline (i.e. MLA, APA, etc.).	The text illustrates a limited awareness of formal tone. The text demonstrates some accuracy in standard English conventions of usage and mechanics.	The text illustrates a limited aware-ness of an inconsistent tone. The text demonstrates inaccuracy in standard English conventions of usage and mechanics.

Common Core Short Research Rubrics

Michael Rajnik

Common Core Short Research Rubrics:

Literacy Is Still Not Enough Nicky Mohan,Ian Jukes,Ryan L. Schaaf,2021-01-07 Modern fluencies provide a platform for authentic teaching learning and assessment While reading writing and arithmetic remain important they are no longer enough For learners to thrive they must move beyond traditional literacies to modern fluencies the unconscious mental processes that are learned adapted and applied in the context of real world problems and challenges In this book the authors unpack the fluencies solution information creativity communication collaboration and global citizenship to reflect the relentless social cultural and economic shifts of modern times Practical resources are presented alongside Authentic Unit Plan Exemplars for each fluency Assessment rubric examples Discussion questions Learners today must master an entirely different set of essential skills and knowledge needed to succeed than previous generations This book provides a practical framework for integrating new fluencies into traditional curriculum

Strategies for Struggling Learners in the Era of CCSS & RTI Jim Wright,2014-07-15 A must have resource to help equip teachers to meet the challenge of preparing students with diverse needs to achieve ambitious new standards in an era of greater accountability This comprehensive problem solving manual by Jim Wright provides teachers with research based strategies for strengthening instruction delivering academic interventions and addressing behavior management issues for both general and special education students The book is designed to help teachers quickly and efficiently locate research supported classroom based solutions for overcoming a variety of impediments to student success Chapters are organized around specific teacher challenges with the content of each supporting ideas and strategies contained throughout the book They include Core Instruction Creating Academic Interventions That Promote Student Success in the Common Core Managing Behaviors to Promote Student Learning Collecting Data to Track Interventions Increasing Student Responsibility Through Self Management Techniques to Help Teachers Succeed as Change Agents Although making changes to one s professional practice is hard work any teacher who carefully reviews and implements best practices in core instruction academic intervention behavior management and classroom assessment such as those presented in this book can expect to see substantial gains in student performance

Learner Choice, Learner Voice Ryan L Schaaf,Becky Zayas,Ian Jukes,2022-06-15 Learner Choice Learner Voice offers fresh forward thinking supports for teachers creating an empowered student centered classroom Learner agency is a major topic in today s schools but what does it mean in practice and how do these practices give students skills and opportunities they will need to thrive as citizens parents and workers in our ever shifting climate Showcasing authentic activities and classrooms this book is full of diverse instructional experiences that will motivate your students to take an agile adaptable role in their own learning This wealth of pedagogical ideas from specific to open ended low tech to digital self expressive to collaborative creative to critical will help you discover the transformative effects of providing students with ownership agency and choice in their learning journeys

The Simple 6: A Writing Rubric for Kids Kay Davidson,2009

Literacy Assessment and Intervention for Classroom Teachers Beverly A. DeVries, 2019-05-31 The fifth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical effective intervention strategies to help every student succeed DeVries thoroughly explores the major components of literacy offering an overview of pertinent research suggested methods and tools for diagnosis and assessment intervention strategies and activities and technology applications to increase students skills Updated to reflect the needs of teachers in increasingly diverse classrooms the fifth edition addresses scaffolding for English language learners and offers appropriate instructional strategies and tailored teaching ideas to help both teachers and their students Several valuable appendices include assessment tools instructions and visuals for creating and implementing the book s more than 150 instructional strategies and activities and other resources New to the Fifth Edition Up to date and in line with ILA CCSS and most state and district literacy standards this edition also addresses the important shifts and evolution of these standards New chapter on Language Development Speaking and Listening covers early literacy assessment and interventions New intervention strategies and activities are featured in all chapters and highlight a stronger technology component Updated Companion Website with additional tools resources and examples of teachers using assessment strategies *Bookmarking* Alicia E. Vandebroek, 2012-07-16 With easy to follow tutorial guides this book is your one stop shop for implementing creative activities for all ages on social bookmarking tools Focusing on ways social bookmarking can impact academic and public libraries and increase collaborations with both patrons and faculty *Bookmarking Beyond the Basics* introduces a variety of social bookmarking websites with helpful tutorials and activities for a wide range of users It addresses social bookmarking sites such as Delicious Avos LaterThis Jog the Web Sqworl LiveBinders Diigo and covers shared bookmarking with QR codes The description of each website is accompanied by practical information on how to use this bookmarking tool in the classroom school library or public library to create personal learning networks and provide resources for patrons The book describes ways classroom teachers can work collaboratively with librarians to incorporate social bookmarking into the classroom Included activities are developmentally appropriate for primary grade students up to adult patrons Assessing Historical Thinking and Understanding Bruce A. VanSledright, 2013-07-31 *Assessing Historical Thinking and Understanding* advocates for a fundamental change in how educators think about making sense of learners developing cognition and understanding in history Author Bruce VanSledright argues that traditional and typical standardized testing approaches are seldom up to the task of measuring the more complex understandings students are asked to attain as they cannot fully assess what the student knows Rather he points forward along a path toward changes in learning teaching and assessing that closely aligns with the Common Core State Standards He delves into the types of history knowledge the standards require illustrates how they can be applied in use in history learning contexts and theorizes how the standards might fit together cognitively to produce deep historical understandings among students in teaching learning contexts By providing a variety of

assessment strategies and items that align with the standards and identifying rich useful assessment rubrics applicable to the different types of assessments he offers an important resource for social studies teachers and curriculum writers alike

Transforming Writing Instruction in the Digital Age Thomas DeVere Wolsey, Dana L.
