Literacy Work Stations Debbie Diller, 2003 This book will help teachers solve the dilemma What does the rest of my class do while I m working with a small reading group Debbie Diller offers practical suggestions for over a dozen literacy work stations that link to instruction and make preparation and management easy for teachers Learn how to set up work stations how to manage them and how to keep them going throughout the year Each chapter includes how to introduce each station materials to include at each station what to model how to solve problems how to differentiate how to assess and keep students accountable reflection questions for professional development Materials in both English and Spanish are provided in the extensive resource section Throughout the book the author has included photos of literacy workstations from a variety of classrooms in which she has worked to illustrate the methods discussed in the text

Teaching Early Literacy Diane M. Barone, Marla H. Mallette, Shelley Hong Xu, 2005-01-01 Grounded in cutting edge theory and research about literacy development this book is filled with practical assessment and instructional ideas for teachers of pre K through grade 3 Engaging vignettes show how everyday conversations and activities offer rich

opportunities both for evaluating children's current level of knowledge and for helping them progress toward more sophisticated and rewarding interactions with reading and writing. Throughout the book highlights ways to work effectively with English language learners and their families, a theme that is the exclusive focus of two chapters. Other timely topics covered include creative uses of technology and ways to incorporate popular culture into the classroom. Over two dozen reproducible assessment tools and handouts enhance the utility of this volume as an instructional resource, professional development tool, or graduate level text.

Organizing and Managing the Language Arts Block Lesley Mandel

Morrow, 2003-01-01 This book offers essential guidance to preservice and inservice teachers seeking to create, revise, or add new strategies to the teaching of the language arts block. The focus is on how to implement effective strategies in the context of a well-planned classroom and a smoothly choreographed daily schedule. In a series of vivid case studies, Lesley Mandel Morrow brings to life the methods used by exemplary teachers to create rich, student-friendly learning environments for children in grades K-4. No component of organizing the language arts block is omitted, including setting up and running classroom learning centers, assessing different instructional needs, conducting whole class and small group meetings, and linking language arts to content area instruction. Enhancing the practical utility of the book are sample daily schedules and classroom management tips for each grade level, along with dozens of reproducible learning activities, lesson plans, and assessment and record-keeping tools.

Classroom Management for Gifted and Twice-Exceptional Students Using Functional Behavior Assessment Yara N. Farah, Susan K.

Johnsen, 2021-04-30 Classroom Management for Gifted and Twice-Exceptional Students Using Functional Behavior Assessment assists educators in understanding how to identify and target behaviors that influence the success of students and daily classroom instruction. Each module provides case studies with examples of the concepts being taught. Includes presentations, interactive graphic organizers, and small group problem-solving activities. Offers self-assessments and resources for developing interventions. May be used within a university course, a series of workshops, or professional teacher learning communities. Uses functional behavior assessment (FBA), a successful research-based approach to behavioral interventions. Using this book, teachers can learn to manage student behavior and implement differentiation in the classroom.
