Lord, Is This You?; Yes, It Is!; A Memoir Brenda Ann Green, 2024-01-16. This writing started out as a simple desire to write a person's story of her life experiences based on her testimony. My inspiration evolved into a testimonial for God, seeing how God would move on our behalf to orchestrate events in our lives, working through the people we know or don't know to bring those events to pass. Orchestration of miracles is a specialty of God's. He's been doing it since the beginning. He orchestrated us having a Savior to bring to us salvation and eternal life through our faith in Him, our Lord Jesus Christ. I've learned that God has already orchestrated many blessings, directions, or actions we're to take in our lives in the heavenly realm that only need to be brought to the natural. We bring things to the natural by faith through prayer through our taking action on our dreams and through obeying what we know God has spoken to us to do, and especially if it is on our hearts to do something for someone else. So what is my opinion about cremation after my experience? I was reminded that God is the greatest Orchestrator of all time. Only He could have arranged the events that I have documented in this writing.
