Reflections For Your Spiritual Awakening Adrian Tanase,2019-06-16 Throughout our lives we all experience a gradual and slow process of Awakening Those of us seeking the spiritual aspects of life are using centuries old practices of accelerating this process be it by using meditation yoga silent prayer devotion contemplation reciting mantras or mostly by just keeping mindful during their day By being more mindful and centered every day we become more compassionate develop gratitude for what we have and manifest a clearer perception of our world both in the spiritual dimension and as well in the casual and mundane one Thus we start to love more give and receive more appreciate things more and live a balanced happier and abundant life I wrote these reflections with carefulness to encompass most of the spiritual aspects that are

present on a spiritual path and with the hope that these pieces of wisdom will create that much needed space where your soul can finally feel the freedom that it is meant to experience here on Earth during this life *Century Path ,1904*
