The Fable of Us Nicole Williams, 2016-02-02 Pre order and release week discounted price From New York Times and USATODAY Bestselling Author Nicole Williams Her heart can't be destroyed by the same person twice At least that's what Clara Abbot finds herself hoping when she runs into Boone Cavanaugh less than an hour after returning to Charleston As kids Clara and Boone had been each other's firsts and no one or nothing could stand in the way of their forever But all kids have to grow up sometime The troubled son of the town drunk winding up with the firstborn daughter of the local royalty was a happy ending even the most imaginative of fairy tales couldn't make believable Their fable came to an end as most do tragically Boone might have done the leaving but it was Clara who got away and made a new life for herself in California But after seven years of dodging her hometown she's only back in Charleston for seven days to celebrate her sister's wedding She won't let her overbearing family or her run in with Boone rattle her though rattling her is obviously Boone's primary objective Boone is her past and her past is behind her a mere speck in the rearview So why does she feel it coming back every time she looks at him Why does she see it every time he looks back Just when Clara's life can't possibly get more complicated the ground shifts and she discovers just how far her family was willing to go to keep the wrong boy out of her life Was it really Boone who left her Or was it Clara who left him The truth will be hard to face Especially when she discovers most of her life has been built on lies

Losers Weepers Nicole Williams, 2015-02-24 Love is what makes us It's also what breaks us If this is true Rowan just became the proverbial wrecking ball to Jesse's life Upon discovering Rowan is pregnant after taking every precaution to ensure otherwise due to a life threatening heart condition Jesse is forced to face too many harsh realities and they send him into a desperate dark place To consider the possibility that he might lose his wife and unborn child is too much for Jesse to bear The situation is out of his control so he gloms on to the few things he can control Like noting Rowan's every move or dialing the doctor whenever her face goes a shade pale or even acknowledging the fact he'd be willing to make a deal with the devil in exchange for his wife's and child's lives There's nothing he wouldn't do or give or sacrifice to keep them from harm But what happens when the devil takes that deal Jesse struck and the tables turn A life for a life A soul for a soul A heart for a heart His life for theirs Love is what makes us It's also what breaks us Love's made Jesse and Rowan Love's about to break them too

Collared Nicole Williams, 2016 When a seventeen year old girl vanishes a community is shaken Parents turn desperate Friends hold vigils And the boy who loves her searches When a year goes by the community is recovering Parents feel hopeless Friends feel helpless And the boy who loves her continues his search When ten years go by the community has forgotten Parents cling to the past Friends move toward the future And the boy who loves her Brings her home Jade Childs spent ten years in captivity but now that she's back the real battle for survival begins
