Maddox, Patti Webb, 2024-01-15 Many Christian women are prayer warriors great intercessors Sometimes however they do not take the time to pray adequately for themselves We have put together this devotional book as a special guide in praying for yourself

as a Christian woman Elizabeth Elliot once said We are called to be women The fact that I am a woman does not make me a different kind of Christian but the fact that I am a Christian does make me a different kind of woman For I have accepted God's idea of me and my whole life is an offering back to Him of all that I am and all that He wants me to be 1 God wants us to be a different kind of woman not a carbon copy of the world's idea of the beautiful woman but a unique expression of the beauty that comes from being filled with the Holy Spirit not just a woman who prays on occasion but a prayer warrior who storms the gates of heaven for herself and her loved ones not a woman who demands her rights but one who lays down her rights in order to submit to the One who has a perfect will and way for her life not just a woman of good works but one who gives cups of cold water in the name of and for the glory of the Lord Jesus Christ not a woman who cocoons in her home but a hospitable woman who opens her heart and her home to all whom God brings into her life nor a woman who considers her Christianity to be a private matter but a woman who spreads the sweet fragrance of the knowledge of Jesus Christ in every place she goes Yes we are to be different from the world because Jesus Christ has made all the difference in our lives How can you and I be the kind of women God desires for us to be How can we keep from conforming to the world's mold Only as we spend much time alone in God's presence as we come aside each day setting our hearts on things above seeking God's face and His will Sarah and Patti have created a guide so that each Christian woman can pray Using Encouraging Words Handling My Emotions Dealing with Expectations Opening My Heart to Others Growing Spiritually Seeking God's Guidance in My Daily Life Enriching My Relationships Growing Through Life's Seasons Expanding My World New Beginnings This Day and Age Nagle Jackson,2000 THE STORY This sophisticated comedy of modern manners deals with the empty nester's greatest nightmare the chickens coming home to roost Affluent newly widowed and wonderfully politically incorrect Marjorie is enjoying life sitting by her po Hope Splashes Patricia Harris,2024-05-21 A splash of Hope from the half mad poet A volume of Poetry written with the idea of hope behind it *365 Daily Meditations for Women* Mary Ruth Howes,1997 In 365 Daily Meditations for Women twelve Christian women come together to share what it means for them to have faith and to live out that faith day by day Each month a different woman writes about her trust in Jesus Christ The Upside-Down Frown and Splashes of Joy Barbara E. Johnson,1998 Joy and the Geranium Lady use gifts and the sharing of God's love to brighten the lives of people on a sad and gloomy street Includes a suggestion of how to create a paper splash of joy featuring colorful beads and pictures *Laughter from Heaven* Barbara Johnson,2004 In classic Barbara Johnson style these hilarious pages will show readers how to put life's trials into perspective and remember that there is a wonderful life awaiting them in heaven **Splash the Living Water: Turning Daily Interruptins Into Life-Giving Encounters** Esther Burroughs,1999 This book will help Christian women learn how the Spirit can empower them to splash the living water of Jesus to thirsty people they meet every day **Joy For All Seasons** Carol Burton McLeod,2016-09-01 Imagine reading a book that is so much more than written words on a page but instead it is an invitation to experience exuberant joy Simply imagine the sweet

In Tidewater Virginia Dora Chinn Jett, 1924. This is simple story of the old homes on the Rappahannock River. The pioneer Rappahannock planter built his home not only for today and tomorrow but for the day after tomorrow and for the great great grandchildren of his children. Many of these sturdy mansions have been victims of calamitous misfortune and are no more. Others still feel the thrill of life in a greater or lesser degree and some of these we will consider.
