

Soul Color Meanings

Colors Of The Spirit

William Henry Burbank

Colors Of The Spirit:

Colors of the Spirit Dorothy K. Ederer, 1999 Dorothy K Ederer a Dominican Sister shares her own prescription for a fulfilling inner life and illustrates it with the stories of those who have enriched her own journey In her stories we see people who looked inside themselves and discovered the potential God gave them to touch others These individuals were the colors that brightened Ederer s world a world sometimes darkened by hopelessness They represent qualities that can help us manifest peace and joy in our own lives

The Spirit of Colors Karl Gerstner, 1981 I cannot see why sensation should be less precise than thought The scientist designs conceptual models the artist perceptual models Karl Gerstner Color is Gerstner s essential medium In this book he presents the pure sensation of color with great precision He explores color physically sumptuously yet with cool formal clarity in the book s seventy color plates He also pursues the subject of color historically and psychologically in a series of essays citing examples from Aristotle to Andreas Speiser from Goethe to Max Luscher theories and speculations about the character and employment of color and form His notes and observations are often couched in a poetic aphoristic manner Kandinsky in general then color is a means of exercising a direct influence on the soul The color is the piano key The eye is the hammer The soul is the piano key with all its strings Albers if one says red and 50 persons are listening to him they will be imagining 50 reds And no doubt all these reds will be very different Goethe worked in his green room In the blue one he welcomed guests he didn t like So that they would leave soon The essays include The Spirit of Color The Farbenlehre of Goethe Conception Perception Fifteen Aspects to a Sentence of Max Bill The Precision of Sensation and Is Constructive Art at an End Or its beginning The illustrations include the Color Sounds the Color Forms and the Color Lines

Lights, Colors, Tones and Nature's Finer Forces Ernest Jack Stevens, 1923 *The Coal-tar Colors* Theodor Weyl, Henry Leffmann, 1892

The Complete Book of Tarot Ken Ludden, 2010-11-05 The Ankahr Muse tradition is one of the oldest traditions of reading Tarot in Eastern Europe The oral tradition of the ancient masters has been passed down from Master to Apprentice for millennia and until now has been the domain of an unseen world With the popularity of so many different methods for reading Tarot and the introduction of hundreds of different Tarot decks both old and new this book goes back to the origins of Tarot in Europe and gives a complete orientation to the cards their images and how to read them This is one of the deepest looks into the ancient art of divination readings Until now only Ankahr Muse apprentices were privy to this information But now it is available to those who wish to read Tarot with the depth and accuracy of ancient masters
