Combat Tracking S:

Scout-Tracker Troy A. Lettieri, 2010-12-20 Tactical tracking is not new and has been a recurring tactic that has been used in every major conflict and been most prevalent in most post World War II low intensity conflicts and has again been rejuvenated in the American military for employment in the Global War on Terrorism More specifically it is being used successfully in Afghanistan and Iraq to hunt down insurgents and collect valuable intelligence to penetrate isolate and eliminate insurgent cells hiding in sanctuaries or amongst the population in plain sight This book Scout Tracker Operational and Training Notes of a Special Forces Combat Tracker provides a complete primer to the skills and tactics for scouting and tracking in a counter insurgent environment This easy to understand and employ information has been gleaned from years of tracking training under the tutelage of some of the world s most renowned combat tactical trackers and operational combat tracking experience from around the globe The intent of the book is to give the warrior on today s asymmetrical battlefield one more tool in the kit bag to bring the fight to an elusive enemy and give the soldier the necessary skill set to enhance his overall survivability and combat capability *Combat Tracking Guide* John D. Hurth, 2012-08-01 The first book on tracking in a combat situation that includes suggestions for integrating visual tracking operations into existing military doctrine in addition to the boots on the ground detail necessary for soldiers who perform those operations How to visually track an armed individual or group in a combat situation for the purposes of gaining intelligence locating the enemy and or killing them Packed with photographs and carefully crafted diagrams A functional readable manual for soldiers trackers military organizations affiliates and enthusiasts around the world *Special Reconnaissance and Advanced Small Unit Patrolling* Edward Wolcuff, 2021-08-30 This comprehensive guide by a Special Ops combat veteran is the ultimate reference for military tactics techniques and procedures Intended for military SpecialOps personnel this volume presents invaluable operational guidance with lessons learned from the legendary Military Assistance Command Vietnam Studies and Observations Group MACV SOG Drawing on Special Reconnaissance operations conducted during the Vietnam Era author Edward Wolcuff provides practical information alongside operational accounts and analyses of specific missions Wolcuff covers the gamut of specialized SR topics ranging from operational planning and preparation through execution logistics and command and control all in substantial tradecraft detail Few of the tactics techniques and procedures or lessons learned included in this book have been previously presented in a usable form for SpecOps personnel This book is intended instruct the Special Operations units of today and preserve this valuable tradecraft for future generations **U.S. Army Formal Schools Catalog** United States.
