*Sight Word Shape Books* Dwayne Douglas Kohn,2017-01-13 Create 100 sight word booklets The fun shape of each booklet makes learning new words easy A student who has mastered 100 of the most common words in the English language is on his her way to becoming a fluent reader

These 100 words form the basis of reading You will be amazed how many of these words appear in the text of a typical newspaper article or on a random page of a book Children will LOVE learning sight words with these booklets Each time they make a new book your students will race home to share their new word with their family To make the booklets simply cut out the pages being careful not to cut off the letters Put the pages in order longest page on bottom shortest page on top to spell the word Staple together on the left hand side You may wish to have the students write the sight word on each page or a sentence using the sight word on each page For example for the SEE book students could write I see a star on the first page They could then write I can see an elephant on the second page and finally Can you see the blue egg on the last page

Students may also illustrate their sentences with a small picture The 100 sight words in this title are a about after all an and are as at be been but by call can come could day did do down each find first for from get go had has have he her him his how I if in into is it its just know like little long look made make many may more most my no not now of on one only or other out over said see she so some than the their them then there these they this time to up use very was we were what when where which who will with words would you your **Sight Words 1st Grade Workbook (Baby Professor Learning Books)** Baby Professor,2017-02-15 This beautifully designed book of sight words is designed to help your child smoothly transition from learning individual letters to reading simple words Sight words are commonly seen words By memorizing them your
