Songs of Dreaming Gods William Meikle, 2017-09-08 A mysterious house sits on a corner block on a hill in St John's Newfoundland in one of the oldest cities in North America a non-descript three-story wooden cube going slowly to seed. When local cops John Green, Janis Lodge and Todd Wiggins are sent to investigate a multiple murder on the top floor of the property they start opening doors and uncovering secrets. But like peeling the layers off an onion each door opened only leads them deeper into the mystery. There are houses like this all over the world and those who suffer are drawn to them as John Janis and Todd have been drawn. They have found their way in. Can they find their way out again? And at what cost?

Pentacle William Meikle, 2017-10-05 There are houses like this all over the world. Most people only know of them from whispered stories over campfires tall tales told to scare the unwary. But some those who suffer know better. They are drawn to these places to ease their pain. If you have the will the fortitude you can peer into another life where the dead are not gone where your love might live forever. But that's not the case for the residents of the Edinburgh house for something has disturbed the quiet reflection in that old building. A creature has slipped through sniffling and snuffling in all the dark places disrupting the balance of time and space. And it's John's job to fix it by any means necessary.

Fungoid William Meikle, 2018-01-30 When the end came it wasn't zombies, asteroids, global warming or nuclear winter. It was something that escaped from a lab. Something small and very hungry. It starts with deadly rain that delivers death where it falls but soon the whole planet is under threat as the infection spreads consuming everything before it. A band of survivors on the Eastern coast of Canada watch as their world falls and crumbles to ruin. The infection seems relentless. More than that it seems to be learning, adapting and evolving faster than they can fight it. Worse still it is infecting not just their bodies but is creeping into their minds dancing in their dreams. Can they stop it before it takes them? Or must they all join in the final dance of death?

The Job William Meikle, 2017-10-07 Dave Wilson is down on his luck with gambling debts coming due. He takes on a risky burglary at a Scottish country house but the job goes badly wrong and all too soon Dave is embroiled in a fight he wants no part of an ages old battle for ownership of the house.
