## Chipotle Competitors:

A case study of Chipotle Mexican Grill. What are the key factors for the competitive success of the company? Joe Wessh, 2019-08-13 Essay from the year 2019 in the subject Business economics Business Management Corporate Governance grade 4 6 University of Toronto language English abstract Despite the industry within which a company operates there are various key success factors that enable a company to survive and develop Key success factors are an essential part of the company's competitive success and it is this important that the company pay a considerable attention to them The elements of a company must correspond with the key success factors required in the industry in order for it to survive and grow As far as the case is concerned the fast casual restaurant industry is heavily competitive making it hard for most of the restaurants to survive and remain successful Six major rivals Burger King Corporation Jack in the Box McDonald's Wendy's Group Starbucks and Yum Brands occupy about 40 percent of the market The remaining 60 percent consists of smaller competitors such as Panera Panda Express and Chipotle Mexican Grill Each competitor offers distinguishable products aligned with their core capabilities Hence the intense threat of rivalry in this industry requires restaurants to be distinctive and innovative so that they can achieve a competitive edge Those restaurants that are unable to maintain a constant competitive advantage end up failing

*Analysis of Strategic move by Chipotle* Ernesto Paiz, Dave Anderson, Ryan Barone, Brian Bollinger, Kristina Calderon, Frank Lin, Mark Toguchi, 2011-06-06 Project Report from the year 2011 in the subject Business economics Company formation Business Plans grade B Santa Clara University language English abstract Chipotle Mexican Grill hereafter referred to as Chipotle is a fast casual restaurant that specializes in a limited menu mainly consisting of burritos tacos and burrito bowls Chipotle is known for its ability to offer products made from sustainable organic ingredients while remaining price competitive with other fast food chains Chipotle refers to this differentiation as food with integrity and it is the driving force that has propelled the company to where it is today Since its foundation in 1993 Chipotle has been tremendously successful growing into a corporation that is now worth roughly 8.5 billion \$56 Chipotle's growth is a direct result of the quality of its products the consistency of its service and the perceived differentiated value it has established in the minds of consumers Chipotle stands apart from others in a highly concentrated industry because it does business differently in terms of its food restaurants and advertising While most fast food chains rely on advertisements that promote menu gimmicks such as limited time price reductions new items value menu offerings and more Chipotle focuses on showcasing its quality ingredients It also generates excitement for its food through a number promotional events and word of mouth Strategic Move Even though the restaurant and bar industry is saturated there are not many competitors that offer organic ingredients within the industry To take advantage of the recent surge of consumers who demand healthier organic food Chipotle has decided to enter into the fast casual Asian restaurant market with a new chain named ShopHouse Southeast Asian Kitchen hereafter referred to as ShopHouse Staying true to its position as a focused differentiator Chipotle will operate ShopHouse under the same
