Management Communication James S. O'Rourke, 2023-03-30 This new edition of Management Communication is a case based textbook that introduces students to the strategic communication methods that are crucial to master in order for them to develop into effective and ethical managers at all levels of business Effective communication skills are necessary for success in the business world and James O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process This seventh edition includes both classic and new features The strategic approach is integrated throughout the book allowing students to understand how a communicated message affects the business as a whole New case studies provide students with hands on experience of scenarios they will encounter in the real world looking at global companies such as Facebook and Nike Further updates include new content on technology corporate culture and disinformation An ethical thread is woven through the text demonstrating how ethical decision making can be applied in all aspects of communication Chapters on intercultural communication nonverbal communication and conflict management provide students with the skills to build relationships and influence stakeholders key skills for any manager This text will provide students with a well rounded understanding of management communication and the support material ensures it serves as a complete resource for instructors

*Do Good* Anne Bahr Thompson, 2017-11-30 Increasingly today in every age group consumers are committing to brands that show good citizenship from fair employment practices to social responsibility to charitable giving In fact support of these generous and socially aware companies is so high that good works and charitable giving are necessary for companies that aspire for financial success Do Good documents the sea of change that has impacted the twenty first century marketplace more than even the most optimistic of business forecasters including examples such as Toms grew into a 600 million company by giving away 35 million pair of shoes Patagonia's profits have climbed year after year even as it funnels heavy investments into sustainability CVS's strategic decision to start destocking cigarettes in all stores Customers have shown with their wallets the types of businesses they will support and that they will quickly call out negligence Buyers today demand more than half hearted pledges from companies who are clearly just trying to show less profits and decrease their taxes By implementing the five step model for the new rules of business laid out in Do Good Trust Enrichment Responsibility Community and Contribution companies can take the necessary steps to embed social consciousness into their DNA in turn capturing both markets and hearts

**Until Every Animal is Free** Saryta Rodriguez, 2015-11-03 Until Every Animal is Free is an insightful candid work heralding the Animal Liberation Movement as the next logical step on the path of social justice dispelling many of the myths that keep us from getting there In it Saryta Rodriguez challenges the Myth of Human Supremacy and explores some of the ideological pillars behind the belief that humans are superior to all other animals This book also discusses animal liberation theory as well as primarily twenty first century efforts to put animal liberation on the public agenda
