Christian Devotedness:

Christian Devotedness Anthony Norris Groves, 2022-09-16 In *Christian Devotedness* Anthony Norris Groves offers an incisive exploration of the principles underpinning a life dedicated to Christ Stylistically Groves employs a straightforward yet profoundly reflective prose inviting readers into a deep contemplation of their faith and commitment to spiritual service Rooted in the early 19th century evangelical revival the book draws on biblical theology and personal experiences emphasizing the transformative power of genuine devotion and the importance of selflessness sacrifice and community in the Christian experience Anthony Norris Groves a pivotal figure in the Plymouth Brethren movement significantly shaped the discourse on personal faith and mission His life experiences as a missionary and his emphasis on the need for a direct relationship with God are evident throughout the text Groves's conviction that true devotion emanates from a deep understanding of God's grace motivated him to pen this work as both a guide and an exhortation for believers seeking to deepen their commitment to Christ in everyday life *Christian Devotedness* is a must read for any believer yearning to enrich their faith journey and cultivate a deeper sense of purpose in service to God and others Groves's insights challenge and inspire making this book a timeless resource for personal and communal spiritual growth *Christian devotedness, or, The consideration of our Saviour's precept, 'Lay not up for yourselves treasures upon earth'*. Christian devotedness, 1826

Christian Devotedness; Or, The Glorious Life of a Christian: a Christian in Earnest, a Christian Altogether John Burton (Wesleyan Minister.), 1860 *Christian Devotedness* Anthony Norris Groves, 2017-03-16 In sending a second impression of the following little work into the world after a lapse of four years from the publication of the former edition it may be right to state that my views on the subject of it have undergone no change in the way of relinquishment but on the contrary the experience of every day in my own history every observation I have been able to make on the history of those with whom I have come into the closest contact and who have either received or rejected the view and in whatever degree has tended exceedingly to strengthen the conviction on my mind of the infinitely deep knowledge of the human heart and springs of human actions which these injunctions of our Blessed Lord manifest and that he means simply what he says in Lay not up for yourselves treasures upon earth etc *Christian Devotedness* Anthony Groves, 2014-04-11 In sending a second impression of the following little work into the world after a lapse of four years from the publication of the former edition it may be right to state that my views on the subject of it have undergone no change in the way of relinquishment but on the contrary the experience of every day in my own history every observation I have been able to make on the history of those with whom I have come into the closest contact and who have either received or rejected the view and in whatever degree has tended exceedingly to strengthen the conviction on my mind of the infinitely deep knowledge of the human heart and springs of human actions which these injunctions of our Blessed Lord manifest and that he means simply what he says in Lay not up for yourselves treasures upon earth etc There is an eye salve in this doctrine when received by faith that wonderfully clears the

field of our spiritual perceptions therefore he that can receive it let him receive it Many more certainly have been influenced by it and some to a much greater extent than I had expected and the clusters that have adorned their branches seem to be of the true Eschol grapes however of these and many other things time will be the manifestor and the Lord the judge

Alexander REID,1856 **Meditations on Christian Devotedness** Andrew Miller,2015-02-21 While many in the present day are teaching and writing much on the important subjects of consecration devotedness and holiness of heart and life and while many are more or less affected by the general interest which these inquiries are creating it may be well for thee my soul to retire for a little into the sanctuary of thy Lord s presence and there learn what has been long written on these and kindred subjects Be assured there is nothing new under the sun These various aspects of christian character with the motives and objects by which they are created and sustained are fully revealed in the word of God The true ground also on which they rest thou wilt find there Oneness with Christ as the last Adam the exalted Man in the glory must be thy standpoint otherwise thou wilt see men as trees walking thou wilt be confounding that which has its roots in nature with that which is of the grace of God in truth Know then and assuredly believe O my soul that thou art one with Him who bore thy sins on the cross who is now on the throne and who is coming again to take thee up to be with Himself in His home of love and glory Wrong ground a mistaken point of view leads to great confusion and self contradiction to the mixing up of law and gospel faith and experience self and Christ No matter how good our eyesight may be we cannot see without light Thou must be in the sunlight of thy Lord s presence to see the true foundation and the divine course of all things And there O wondrous truth O privilege infinite O blessedness unspeakable thou art at home at home as thou art nowhere else in the concentrated light of heaven s noonday brightness He is thy righteousness absolute and complete in the presence of God He is thy eternal life thy peace thy joy thy rest thy glory Thus arrayed in the moral glories of thy Lord and basking in the beams of His complaisant love what hast thou to fear And know also O my soul that all this is true now true to faith though not to experience and always true in the sight of God Subjects covered The Cause of Weakness the Source of Strength Christian Responsibility Reflections on the Membership of the One Body Reflections on Practical Christianity **Christian devotedness: or, Memorials of mrs. N. D.,1876 The Elusive Quest of the Spiritual Malcontent Timothy C. F. Stunt,2015-08-31 Timothy C F Stunt has gathered a range of his essays both published and unpublished in a collection of largely biographical studies His subjects range from discontented Quakers hesitating over their identity to respectable Anglicans who were fascinated with the charismatic phenomena of tongue speaking and healing Some of the characters with

whom he is concerned can be described as mavericks on account of their strikingly individualist inclinations Occasionally their unpredictability takes on a quasi comic identity which could even qualify them to be described as loose cannons On the other hand some of them like Edward Irving Norris Groves and John Darby played a crucial part in the development of nineteenth century evangelicalism In their quest for the ideal church of their dreams they were often disappointed but one cannot but admire the single mindedness of their quest

The Growth of the Brethren Movement: National and International Experiences Neil T. R. Dickson, Tim Grass, 2006-12-01 The essays in this book have been contributed in honour of Dr H H Rowdon a teacher of several generations of students at the London Bible College and a historian of the Brethren movement The book includes reflections on the historiography of the Brethren but it is their character and growth which form the principal focus The writers make original contributions to national regional or local histories and at the same time raise wider themes and issues on topics such as revivalism in New Zealand and the Orkney Islands or paternalism and missionary endeavor in Zambia Leading features of the Brethren are discussed through papers on several seminal figures such as Anthony Norris Groves John Eliot Howard and George Muller Above all the opportunities and problems represented by the worldwide growth of the movement are looked at with reference to a number of countries among them Britain Germany Jamaica and Angola or to individual congregations in places as diverse as Birmingham Singapore and Tasmania Over the whole world concludes Prof D W Bebbington in his contribution Brethren played a distinctive role as evangelicals of the evangelicals
