The Christian Movement in the Japanese Empire (Classic Reprint) Conference of Federated Missions,2015-07-03 Excerpt from The Christian Movement in the Japanese Empire The present volume differs from its predecessors in several respects The chief of these is in the treatment of missionary work in Japan The customary section on Missions and Churches has been replaced by a very thorough survey of the whole question done largely in the form of a questionnaire by Dr McKenzie The editors have felt that a careful study of this article would give a better view of the movement of Christian work in Japan than if a report of each agency were given individually The Korea section is more complete and systematic than ever before and its appendices made to correspond with those of Japan will be found valuable The gratitude of the editors is due the many who have had a share in the production of this book As the official annual publication of the Conference of Federated Missions of Japan and the Federal Council of Korea its preparation has laid claim upon the time and talent of many busy men and women whose services have been ungrudgingly given If the saying is true that as the nineteenth century made the world a neighborhood the twentieth century is to make the world a brotherhood this newest record of the movement of Christian forces in the Island and Peninsular Empire pregnant as that movement is with greater things to come cannot but mightily

The Christian Movement in Japan Daniel Crosby Greene, 2016-12-27 Excerpt from The Christian Movement in Japan Ninth Annual Issue 1910 It is a matter of regret that again this annual con tains no account of the earnest work of the Roman Catholic Fathers and Sisters The editor sought for such an account and was recommended to turn to the newly appointed Archbishop but after his arrival in Japan that course did not appear feasible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Christian Movement in Japan, Korea and Formosa, 1926, Vol. 24 An. Oltmans, 2016-12-23 Excerpt from The Christian Movement in Japan Korea and Formosa 1926 Vol 24 A Year Book of Christian Work In this twenty fourth issue of the Christian Movement a serious attempt has been made to take an inventory of the Christian Cause and of the Mis sionary Status in Japan To this discussion large contributions have been made by Japanese leaders in the various departments of Christian work It was thought of special importance to have their well thought out opinions on these subjects and these Opinions have been given with all frankness

and fair ness we believe The editorial committee regrets that for obvious reasons the material contributed had to be so strictly limited in each case to the amount allotted This restriction has been disregarded to a certain extent in only one case namely that of the article contributed by Dr Axling and for the reason that it is in the nature of a symposium of Japanese opinions on the subject of The Present Place of the Missionary Articles by Japanese contributors in English have been practically left unchanged Those translated from the original Japanese have no doubt suffered more or less unavoidably by the translations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Japan Christian Year-Book, 1953](#) B. The Christian Movement in Japan and Formosa Paul S. Mayer, 2016-12-27 Excerpt from The Christian Movement in Japan and Formosa A Year Book of Christian Work Survey of Buddhism which was to have been written by Dr K Watanabe was not forthcoming in time to be published in this volume Perhaps the most unsatisfactory section of the book is the statistical record The manner of tabulating statistics differs So greatly in the various churches that it is exceedingly difficult to make this part of the book absolutely reliable The missionary directory has been corrected up through May and is therefore as accurate as it can be made under the circumstances Unstinted thanks are due to all who have gladly contributed of their time and energy towards the compilation of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **[The Christian Movement in Japan,](#)**

1912, Vol. 10 (Classic Reprint) John Lincoln Dearing, 2018-02-14 Excerpt from The Christian Movement in Japan 1912 Vol 10 With this issue the Christian Movement enters upon a new period of its history Up to the present tintie it has been very largely the work of Dr D C Greene who when in Japan has carried for the most part the burden of Editorship The earlier volumes were almost exclusively the work of his gifted pen and while later assisted by Prof E W Clement and Mr G M Fisher as well as by an increasing number of contributors it is mainly due to his ability and pains taking labor that the Annual has gained the place that it holds to day The loss occasioned by the necessary change of editors is in some measure compensated for by Dr Greene s kind consent to prepare for the present issue the opening Chapter on General Survey in which as in former years he gives a clear and com prehensive review of the events of the past year The other Associate Editors have also prepared im portant chapters which required such wide research and careful study as no one man could find time for in addition to his regular work The editor in chief has confined himself for the most part to the work of compilation believing that the best results could only thus be secured About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Lamot, 2016-12-23 Excerpt from The Japan Christian Year Book 1932 Continuing the Japan Mission Year Book Being the Thirtieth Issue of the Christian Movement in Japan and Formosa A glance at the Title page will show that this publication has undergone another and we hope a final change of name This was made necessary as a result of a recent action of the Federation of Christian Missions to the effect that the two publications of the Federation should hereafter be issued by that organization in consultation with a committee appointed by the National Christian Council Hence this publication can now be more correctly spoken of as a Christian than as a Mission Year Book About the Publisher Forgotten Books publishes
