

DEMOCRACY WITHIN THE EUROPEAN UNION

Professor John Loughlin

Democracy In The European Union

Svein S Andersen,Kjell A Eliassen

Democracy In The European Union:

Democracy in the European Union Alex Warleigh,2003-04-21 This is a most welcome contribution to current discourses on democratising the European polity Warleigh's thought provoking analysis by drawing from a rich spectrum of normative theorizing and empirical sources produces sharp insights and a valuable reference tool for anyone interested in the governance and polity of Europe Dimitris N Chryssochou University of Exeter Warleigh's theoretically sophisticated and empirically rich inquisition of the nature and evolution of democratic reform in the European Union will be an important addition to the literature This book is neither euro sceptic nor EU friendly It is a challenging call to all interested parties citizens and scholars to take seriously the question of investing EU institutions and procedures with more than just a surface veneer of democracy Jo Shaw Professor of European Law University of Manchester This book comprehensively reviews one of the most salient ongoing debates at the heart of the European Union EU today democratic reform It provides a thorough evaluation of how democracy might best be defined in the transnational context of the EU and explores the key strategies that have been deployed to enhance the Union's democracy from the Single European Act to the present day In considering why the strategies have been unsuccessful Alex Warleigh contends that the EU can only democratize itself by abandoning federalism and working towards a more participatory democracy based on flexibility and active European citizenship The book therefore advances important new ways in which the EU's democratic deficit problems might be addressed more effectively than in the past Marking a significant contribution to this key on going debate Democracy in the European Union Theory Practice and Reform will be essential reading for all students scholars and professionals seeking a deeper understanding of the nature of the EU and the reform challenges it faces into the twenty first century

[Democracy in the European Union](#) Erik Oddvar Eriksen,John Erik Fossum,2002-09-11 The European Union is widely held to suffer from a democratic deficit and this raises a wider question can democracy at all be applied to decision making bodies beyond the nation state Today the EU is a highly complex entity undergoing profound changes This book asks how the type of

cooperation that the EU is based on can be explained what are the integrative forces in the EU and how can integration at a supra national level come about The key thinkers represented in this volume stress that in order to understand integration beyond the nation state we need new explanatory categories associated with deliberation because a supranational entity as the EU possesses far weaker and less well developed means of coercion bargaining resources than do states The most appropriate term to denote this is the notion of deliberative supranationalism This pioneering work headed by major writers such as Habermas Schlesinger and Bellamy brings a new perspective to this key issue in contemporary politics and political theory

[Democracy in the European Union](#) Christopher Lord,1998 There has been much talk of the democratic deficit in the European Union but little understanding of the problems of constructing a transnational democracy This book seeks to remedy these defects by looking at democratic authorization and representation of Union power

The European Union:

How Democratic Is It? Svein S Andersen,Kjell A Eliassen,1996-02-27 Taking as its starting point the major issues of democracy which are the ongoing concerns of every liberal Western political system this volume offers a wide ranging review of democracy in the European Union It treats the EU as a new type of political system within the tradition of parliamentary democracies a system which is neither federal nor intergovernmental and which consequently has unique problems of how to handle democratic requirements Part One deals with the two major challenges of interest articulation in the EU political parties and lobbying The second part discusses how democracy becomes the key element in the linkage between the EU and its member states focusing on France Italy and Belgium where the r

Democracy and the European Union Andreas

Follesdal,Peter Koslowski,2013-11-11 The European Union is a new subject for theories of legitimacy posing fundamental questions to the established concepts and principles of democratic theory General compliance and popular acceptance and respect for European law is at stake The volume addresses the main challenges of the European Union to democratic theory The legitimacy of such transnational institutions born by political integration has so far received some but scant attention The mere existence of the Union proves that the sovereign state cannot remain the sole focus of normative reflection Indeed the very conception of sovereignty is at stake The present volume combines political science and normative political theory to offer concepts arguments and criteria that further these debates addressing problems of principle

Democracy in the

European Union Liana Giorgi,Ingmar von Homeyer,Wayne Parsons,2006-09-27 An invaluable exploration of the concern that transfers of power to European Union institutions are producing a worrying new form of democratic deficit While ongoing reforms of these institutions promise to render decision processes at European level more transparent and accountable these expert authors examine whether there is a European public sphere for citizens and their representatives to discuss deliberate and evaluate issues of public relevance They show how the process of European integration has given rise to a new object of study European society and why key questions concerning identity citizenship democracy government and institutions are being raised anew and are major political concerns at European and Member State level With six case studies of EU policy making and representative institutions they analyze the intensity of participatory practices in four dimensions mobilization of societal actors public contestation and debate openness of decision making and responsiveness of policy makers This book will be of strong interest to students and researchers of the European Union European politics European studies as well as those concerned with more theoretical aspects of governance and the public sphere

People and

Parliament in the European Union Jean Blondel,Richard Sinnott,Palle Svensson,1998-07-30 The power of the European Parliament has been steadily and visibly increasing in recent years This arises from EU treaty changes and from the fact that more and more decisions are being made at the European level At the same time however the already low rate of turnout in European elections has actually been declining This powerful new study examines a seemingly paradoxical situation which has raised deep concern about the democratic deficit in the European Union The authors analyse the concepts of

participation democracy and legitimacy and their applicability at the European level and develop a typology of voter participation and abstention in the European context Combining extensive new data from specially commissioned surveys in all 1994 member states with a searching review of the existing evidence they provide a comprehensive account of the legitimacy of the European Union and examine the images of the European Parliament citizens experiences of the 1994 campaign and their perceptions of the parties and the candidates In an analysis that challenges existing interpretations the institutional demographic and attitudinal sources of participation and abstention are fully explored The study concludes by considering how participation and democratic representation might be enhanced acknowledging forthrightly the obstacles and inherent limits that such efforts are likely to face

Representation and Democracy in the EU Richard

Bellamy,Sandra Kröger,2016-04-14 This book explores the various ways in which citizens are represented in EU policy making Most accounts naturally focus on the European Parliament as the prime source of democratic representation This collection focuses instead on four other channels that are as and often more important namely representation via governments national parliaments civil society organisations and directly via referenda Based on original research the book combines democratic theory with detailed empirical analysis to provide an innovative timely and up to date evaluation of the nature of representation in the EU Policy advisors practitioners and those scholars interested in democracy and the European Union will find this volume to be a valuable resource This book was published as a special issue of the Journal of European Integration

Democracy in the European Union Professor A J F Warleigh-Lack,2003-03-18

This is a most welcome contribution to current discourses on democratising the European polity Warleigh's thought provoking analysis by drawing from a rich spectrum of normative theorizing and empirical sources produces sharp insights and a valuable reference tool for anyone interested in the governance and polity of Europe Dimitris N Chryssochou University of Exeter Warleigh's theoretically sophisticated and empirically rich inquisition of the nature and evolution of democratic reform in the European Union will be an important addition to the literature This book is neither euro sceptic nor EU friendly It is a challenging call to all interested parties citizens and scholars to take seriously the question of investing EU institutions and procedures with more than just a surface veneer of democracy Jo Shaw Professor of European Law University of Manchester This book comprehensively reviews one of the most salient ongoing debates at the heart of the European Union EU today democratic reform It provides a thorough evaluation of how democracy might best be defined in the transnational context of the EU and explores the key strategies that have been deployed to enhance the Union's democracy from the Single European Act to the present day In considering why the strategies have been unsuccessful Alex Warleigh contends that the EU can only democratize itself by abandoning federalism and working towards a more participatory democracy based on flexibility and active European citizenship The book therefore advances important new ways in which the EU's democratic deficit problems might be addressed more effectively than in the past Marking a significant contribution to this key on going debate

Democracy in the European Union Theory Practice and Reform will be essential reading for all students scholars and professionals seeking a deeper understanding of the nature of the EU and the reform challenges it faces into the twenty first century *How to Democratize the European Union-- and why Bother?* Philippe C. Schmitter,2000 A contradictory creation indeed the European Union has most of the institutions of a modern democracy yet it does not function as one Moreover its growing scope of activity and supranational decision making processes are undermining the legitimacy of democracy in its member states Much has been written about this double democratic deficit but surprisingly little thought has been given to what to do about it short of drafting and ratifying a new federal constitution In this provocative book Philippe C Schmitter explores both the possibility and the desirability of democratizing the EU He argues that as a non state and a non nation it will have to invent new forms of citizenship representation and decisionmaking if it is ever to democratize itself The author also contends that the timing and political context work against a full scale constitutionalization of the process He proposes a number of modest and some less modest reforms that could improve the situation in the near future and eventually lead to a genuine Euro democracy Political Representation and Legitimacy in the European Union Hermann Schmitt,J. J. A.

Thomassen,1999 How severe a problem is what many call the democratic deficit of the European Union Despite a voluminous theoretical literature dealing with this question there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of EU citizens that spring from it This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit Four dimensions of legitimacy beliefs are identified and analysed the European political community the scope of EU government the institutions and processes of EU government and EU policies Based upon large scale representative surveys among the mass publics and different strata of the political elite of the EU and its member states the book examines the conditions of political representation in the EU The results demonstrate by and large that legitimacy beliefs of EU citizens are the more positive the less specific the object of identification and evaluations is and that the process of political representation works pretty well as long as issues other than European Union issues are concerned These findings are finally discussed in view of familiar strategies for institutional reform of the European Union *Debating the Democratic Legitimacy of the European Union*

Beate Kohler-Koch,Berthold Rittberger,2007-04-18 The discussion about a constitution for the European Union and its rejection by referendum in two of the EU founding member states has once again spurred public and scholarly interest in the democratic quality and potential of the European Union Debating the Democratic Legitimacy of the European Union brings together distinguished thinkers from law political science sociology and political philosophy to explore the potential for democratically legitimate governance in the European Union Drawing on different theoretical perspectives and strands from democratic theory this volume is the first of its kind to overcome the present state of fragmentation in the debate about the conditions and possible remedies for what is often called the democratic deficit of the European Union Among the pressing

questions addressed by the contributors are What future is there for parliamentary democracy in the European Union Can we observe the evolution of a European public sphere and civil society Can participatory democracy or deliberative democracy pave the road for a democratically legitimate European Union Conversations about democracy have engaged the public in a new way since the beginning of the Iraq war and this volume is the best resource for students and readers who are interested in democracy in the European Union Contributions by Rudy B Andeweg Katrin Auel Arthur Benz Lars Erik Cederman Damian Chalmers Deirdre Curtin Donatella Della Porta Klaus Eder Erik O Eriksen Ulrich Haltern Hubert Heinelt Doug Imig Christian Joerges Beate Kohler Koch Christopher Lord Paul Magnette Andreas Maurer Jeremy Richardson Berthold Rittberger Rainer Schmalz Bruns Michael Th Greven Hans J rg Trenz and Armin von Bogdandy Direct Democracy in the EU Steven Blockmans,Sophia Russack,2019-01-15 The European Union has a democracy problem The polycrisis that has plagued the EU for years has led to a cacophony of voices calling for fundamental change to the integration project Yet despite the shock of the Brexit referendum and the electoral upsets caused by nativist parties across the continent few of the plans for EU reform include concrete proposals to address the perennial democratic deficit This volume looks at how the relationship between citizens the state and EU institutions has changed in a multi layered Union As such it focuses more on polity than on populism and does not engage deeply with policy or output legitimacy Building on the notion of increasing social economic and political interdependence across borders this book asks whether a sense of solidarity and European identity can be rescued from the bottom up by empowering citizens to take back control of their Union Direct Democracy in the EU The Myth of a Citizens Union is part of the Towards a Citizens Union project and is the product of collaboration with 20 renowned think tanks from the European Policy Institutes Network EPIN It is the first of three publications that will also cover the state of representative democracy in the EU and the accountability of democratic institutions The European Union and Democracy Promotion Richard Youngs,2010-10-15 Richard Youngs is the director of Fride Madrid and an associate professor at the University of Warwick He has authored five books including Europe ole in Global Politics A Retreat from Liberal Internationalism Book Jacket Democracy in the European Union Dimitris N. Chryssochou,1998-12-31 It is also suggested that the present Union approximates to a new type of collective entity based on the properties of consensus elite government The crucial question is whether the emerging European polity can move beyond executive dominance and transform itself from democracies to democracy European Governance and Democracy Richard Balme,Didier Chabanet,2008-05-13 Considering the future of European integration this clear and compelling study explores the interplay between collective action and democracy in the European Union Richard Balme and Didier Chabanet convincingly show that as support for broadening and deepening integration ha **Rethinking Democracy and the European Union** Erik Oddvar Eriksen,John Erik Fossum,2013-06-17 While the Lisbon treaty was meant to clarify the European Union s role and political identity it remains a challenge for politicians and decision makers to define Rethinking Democracy and the European

Union looks at both the concept of the EU as a political system and analyses the meaning and status of democracy in Europe today. This book draws upon leading scholars and practitioners from the RECON project Reconstituting Democracy in Europe to frame and analyse a range of institutional realms and policy fields including constitutionalisation, representative developments, gender politics, civil society and public sphere, identity and security, and globalisation. Drawing together these strands, the book questions whether EU politics require a new theory of democracy and evaluates the relationship between union and state and the possible future of post-national democracy. Lucid and accessible, this book is at the forefront of the intellectual debate over the character of the EU, presenting research, theory and analysis on a critical political issue of our time. *Rethinking Democracy and the European Union* will be of interest to students and scholars of democracy, European Union politics and international relations.

Democratic Governance and European Integration Ronald Holzhacker, Erik Albæk, 2007-01-01. As the power and scope of the European Union moves further beyond traditional forms of international cooperation between sovereign states, it is important to analyse how these developments are impacting upon national institutions and processes of democratic representation and legitimacy in the member countries. The authors in this book identify four core processes of democratic governance present in any democratic political system that link societal and state processes of decision making, opinion formation, interest intermediation, national executive decision making and national parliamentary scrutiny. From a normative perspective, they discuss what impacts this process of Europeanization has on democracy in the evolving system. They conclude that more changes are seen within the state centric than in the societal centred processes of democracy, thus the public seems to have been left behind in the process of constructing Europe. The empirical research and normative discussion presented in this book are designed to further our knowledge concerning the Europeanization of social and state processes of democracy and to contribute to the continuing dialogue on democracy in the European Union. This book will be of great interest to academics and researchers of political science, public policy and international relations, as well as those interested in European studies and comparative politics.

Critical Reflections on Constitutional Democracy in the European Union Sacha Garben, Inge Govaere, Paul Nemitz, 2019-11-14. This book takes a wide ranging approach to tackle the complex question of the current state of constitutional democracy in the EU. It brings together a broad set of academics and practitioners with legal and political perspectives to focus on both topical and perennial issues concerning constitutional democracy, including safeguarding the rule of law and respect for fundamental rights in theory and practice, primarily at EU level, but also with due regard to national and global developments. This approach underlines that rather than a single problem to be analysed and resolved, we are presently facing a kaleidoscopic spectrum of related challenges that influence each other in elusive, multifaceted ways. *Critical Reflections on Constitutional Democracy in the European Union* offers a rich analysis of the issues as well as concrete policy recommendations which will appeal to scholars and practitioners, students and interested citizens alike. It provides a meaningful contribution to the array of existing

scholarship and debate by proposing original elements of analysis challenging often made assumptions destabilising settled understandings and proposing fundamental reforms Overall the collection injects a set of fresh critical perspectives on this fundamental issue that is as contemporary as it is eternal *Regional and Local Democracy in the European Union* John Loughlin, Committee of the Regions, 1999

Whispering the Techniques of Language: An Emotional Journey through **Democracy In The European Union**

In a digitally-driven world where displays reign great and instant transmission drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within words frequently go unheard. However, located within the pages of **Democracy In The European Union** a interesting literary value blinking with raw emotions, lies an exceptional journey waiting to be undertaken. Written by a talented wordsmith, this marvelous opus encourages visitors on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within ab muscles material of every word. Within the mental depths of the touching evaluation, we can embark upon a heartfelt exploration of the book is primary themes, dissect their interesting publishing style, and succumb to the powerful resonance it evokes strong within the recesses of readers hearts.

Democracy In The European Union Introduction

Democracy In The European Union Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Democracy In The European Union Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Democracy In The European Union : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Democracy In The European Union : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Democracy In The European Union Offers a diverse range of free eBooks across various genres. Democracy In The European Union Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Democracy In The European Union Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Democracy In The European Union, especially related to Democracy In The European Union, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Democracy In The European Union, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Democracy In The European Union books or magazines might include. Look for these in online stores or libraries. Remember that while Democracy In The European Union, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Democracy In The European Union eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the Democracy In The European Union full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Democracy In The European Union eBooks, including some popular titles.

FAQs About Democracy In The European Union Books

1. Where can I buy Democracy In The European Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Democracy In The European Union book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Democracy In The European Union books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Democracy In The European Union audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Democracy In The European Union books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
