Body Kenneth R. Pelletier, 1994 Almost 20 years after his bestselling book *Mind as Healer Mind as Slayer* transformed our understanding of disease prevention and the effects of stress on the immune system Dr Kenneth R Pelletier's latest work *Sound Mind Sound Body* offers a dramatic new approach to understanding personal health Lifelong good health says Dr Pelletier is far more dependent on a positive purposeful life orientation than on aerobic workouts and regimented low fat diets This extraordinary revelation is based on a wide body of recent research findings as well as Dr Pelletier's own five year Rockefeller funded study of 51 prominent men and women who have made major contributions to the world beyond their own personal success and security including Lindsay Wagner Norman Lear and Congresswoman Claudine Schneider Dr Pelletier challenges the medical community's long accepted focus on the disease model and proposes a positive new health paradigm *Sound Mind Sound Body* examines the lives of people who are rarely ill who manage aging successfully or who cope extremely well with both acute and chronic illness and describes how they do it Among Dr Pelletier's fascinating findings People who overcome serious illness or physical trauma in childhood are often actually strengthened not debilitated by the experience People who enjoy a sense of belonging and a real connection with other people generally pass through periods of intense stress and exposure to health hazards and remain untouched by illness Altruistic work is closely related to the ability to overcome life threatening crises and disease There is a healthy way of being ill which can help a person manage such chronic problems as arthritis and heart disease Filled with true stories that will both surprise and inspire *Sound Mind Sound Body* is a testament to the human capacity for striking a vital balance of a sound mind and a sound body and for growing and to forcing new challenges with conviction It explores how personal health practices and a sense of meaningful purpose play a major role in both inner fulfillment and professional success and offers practical effective techniques to help anyone achieve physical mental emotional equilibrium and enjoy a lifetime optimal health **BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved**
