Phonics Screening Check

What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is an important part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to read and write more easily.

How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and say them out loud. This helps them to hear the sounds of the words and to see how they are written.

Phonics games

There are many phonics games that you can play with your child. Some of the best games are word search, matching, and memory.

Phonics worksheets

There are many phonics worksheets that you can use with your child. These worksheets are designed to help children learn the sounds of words and how they are written.

Phonics resources

There are many phonics resources available online and in print. These resources can help you to find more information about phonics and to find more games and worksheets.

Phonics activities

There are many phonics activities that you can do with your child. Some of the best activities are to make words with clay, to draw pictures of words, and to act out words.

Phonics songs

There are many phonics songs that you can sing with your child. These songs are designed to help children learn the sounds of words and how they are written.

Phonics flashcards

There are many phonics flashcards that you can use with your child. These flashcards are designed to help children learn the sounds of words and how they are written.

Phonics books

There are many phonics books that you can read with your child. These books are designed to help children learn the sounds of words and how they are written.

Phonics videos

There are many phonics videos that you can watch with your child. These videos are designed to help children learn the sounds of words and how they are written.

Phonics apps

There are many phonics apps that you can use with your child. These apps are designed to help children learn the sounds of words and how they are written.

Phonics games

There are many phonics games that you can play with your child. These games are designed to help children learn the sounds of words and how they are written.

Phonics worksheets

There are many phonics worksheets that you can use with your child. These worksheets are designed to help children learn the sounds of words and how they are written.
