Carmax Mission Statement:

The Powers Tony Wessling, Peter van Aartrijk, 2018-09-04 The Powers is an exploration of ten key factors to create and manage a strong resonant brand in either the B2B or B2C space. Gone are the days when advertising gurus research firms and management consultants told a brand what to do and where to go. Today's top brands are built from the inside out, rooted in an authenticity that resonates deeply with employees, business partners and customers. Through their use of vivid examples and real life in the trenches experience, Tony Wessling and Peter van Aartrijk make brand building enjoyable, interesting and engaging. Never before has branding been so succinctly broken down into essential components. Leaders and marketers who apply these concepts will find their own brands becoming exponentially more powerful and their destiny firmly under their control.

Business and Corporate Integrity Robert C. Chandler, 2014-03-10 There is a crisis of trustworthiness in business and corporate integrity. This book identifies the specific actions to create and sustain integrity in businesses and corporations. Steps that can restore the public's trust and confidence as well as improve company performance. *Business and Corporate Integrity: Sustaining Organizational Compliance, Ethics, and Trust* addresses a critical contemporary topic of wide public concern from a pragmatic solution oriented perspective. Offering insights from world class scholars and a range of subject matter experts, this accessible two volume work defines the nature of corporate integrity and business ethics in the current climate of scandals and an increasingly skeptical public, allowing readers to fully understand the importance of the subject. In addition, it uniquely provides practical methods, tactics and tools to effectively address issues of integrity in the organizational environment. The first volume of the series contains contributed chapters that address the foundational approaches for ethics and integrity in the business world. The second volume presents practical ways to assess and enhance integrity and encourage ethical behavior in corporations, businesses and other organizations. All companies, regardless of size or financial clout, need to avoid the significant consequences of ethical misconduct and illegal behavior by their employees and managers, which can result in erosion of public trust, customer loyalty, investor confidence and employee morale, not to mention debilitating fines and criminal indictments. This book identifies the key mindset and values that should guide decision making for businesspeople every day.

National Directory of Corporate Giving Andrew N. Grabois, 2008-08 Corporations donate billions of dollars every year to help nonprofit organizations. This Directory provides the most current information available in print on over 4,100 corporate donors. You'll find background on the sponsoring company, including plant, office, division and subsidiary locations, names of corporate officers, financial data and *Forbes* and *Fortune* ratings. Get the latest facts on America's leading corporate funders with the *National Directory of Corporate Giving*, new 11th edition.

[San Diego Magazine](#), 2011-02 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region. This is the magazine for San Diegans with a need to know.
