Chocolat:

Chocolat Aleksandra Crapanzano, 2025-10-14 From the bestselling James Beard Award winning food writer and author of *Gâteau* comes a beautifully illustrated cookbook that celebrates the French love affair with chocolate featuring over 100 elegant recipes. In France chocolate is more than a treat; it's a daily essential and in Paris it's nothing short of an obsession. At the legendary food market *picerie Bon Marché* hundreds of square feet are dedicated to everything chocolate from biscuits and bonbons to baking bars and luxurious tins of drinking chocolate. At home chocolate shines in creations like *pâte à tartiner* homemade Nutella and *gâteau au chocolat* a rich, nearly flourless cake with a texture that dances between mousse and moist crumb. The recipe for this cake in *Chocolat* is the little black dress of desserts: simple yet irresistible. While desserts like *profiteroles*, *clairs* or *bûches de Noël* require some practice, many chocolate desserts are easy to make thanks to chocolate's minimal need for additional ingredients. Alongside the user friendly recipes are stunning illustrations by Parisian artist Cassandre Montoriol, providing a visual feast that enhances the rich flavors of the desserts described. Whether a dark chocolate mousse served whimsically in an ice cream cone or a lavender chocolate tart to delight your lunch guests, *Chocolat* celebrates simplicity and endless versatility, a must have for your cookbook shelf promising inspiration with every page.

Chocolat Joanne Harris, 2010-12-03 When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called *La Céleste Praline* directly across the square from the church Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent, the traditional season of self denial. The priest says she'll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone's favourites and her delightful confections. Her shop provides a place too for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne's plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate *clair*? For the first time here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris, You might see Vianne as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on, relentless. But on another level, she is a perfectly real person, with real insecurities and a very human desire for love and acceptance. Her qualities, too, kindness, love, tolerance, are very human. Vianne and her young daughter, Anouk, come into town on Shrove Tuesday. Carnivals make us uneasy, says Harris, because of what they represent: the residual memory of blood sacrifice; it is after all from the word *carne* that the term arises of pagan celebration. And they represent a loss of inhibition: carnival time is a time at which almost anything is possible. The book became an international best seller and was optioned to film quickly. The Oscar nominated movie with its star studded

cast including Juliette Binoche The English Patient and Judi Dench Shakespeare in Love was directed by Lasse Hallstrom whose previous film The Cider House Rules based on a John Irving novel also looks at issues of community and moral standards though in a less lighthearted vein The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV It was a throwaway comment designed to annoy and it did It was along the lines of Chocolate is to women what football is to men The idea stuck and Harris began thinking that people have these conflicting feelings about chocolate and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate Rich with metaphor and gorgeous writing sit back and gorge yourself on Chocolat *Chocolat* Robert Nelson Jacobs,2000 Cast size medium
