*The Shifting Sands (Deltora Quest #4)* Emily Rodda, 2012-10-01

The international bestselling series returns for a new generation with a fresh look and bonus content from the legends of Deltora. When the seven gems of the magic Belt of Deltora were stolen, the evil Shadow Lord invaded the kingdom and enslaved its people. Determined to rid their land of the tyrant Lief Barda, and Jasmine are on a dangerous quest to find the lost gems which are hidden in fearsome places throughout the kingdom. The time has come to seek the fourth gem, kept jealously by an unknown guardian in a barren wasteland. Separation, confusion and strange, terrible enemies await the three heroes in the harsh landscape of the Shifting Sands.

*Deltora Quest Series 2* Alf Mappin, 2005

The Deltora series is an exciting, well-written, carefully planned series of fantasy novels. As well as being an adventure quest, the tales have incorporated into their storyline a number of puzzles, both verbal and mathematical. Once introduced to the series, a reader is sure to want to continue through to the end. Emily Rodda, the author, deliberately set out to create books that would entice the more reluctant reader in order to both develop their interest in reading and to extend their reading stamina. These notes apply to the second series, which tells of the efforts of the king of Deltora, Lief, to free the Deltorans who have been kept captive by the Shadow Lord in the Shadowlands. The Belt of Deltora has no power outside of Deltora, so Lief will have to depend upon his own abilities when in the Shadowlands. The teacher's notes can be used in several ways. The series could be taken teacher-directed as a whole-class activity, with teacher-read, teacher-directed sets of activities. They could also be used by students individually, in pairs or in groups. Note that throughout each series, the books form a continuous story and it is better to read them in order.
