**The Politics of Interweaving Performance Cultures** Erika Fischer-Lichte, Torsten Jost, Saskya Iris Jain, 2014-01-10 This book provides a timely intervention in the fields of performance studies and theatre history and to larger issues of global cultural exchange The authors offer a provocative argument for rethinking the scholarly assessment of how diverse performative cultures interact how they are interwoven and how they are dependent upon each other While the term intercultural theatre as a concept points back to postcolonialism and its contradictions The Politics of Interweaving Performance Cultures explores global developments in the performing arts that cannot adequately be explained and understood using postcolonial theory The authors challenge the dichotomy the West and the rest where Western cultures are universal and non Western cultures are particular as well as ideas of national culture and cultural ownership This volume uses international case studies to explore the politics of globalization looking at new paternalistic forms of exchange and the new inequalities emerging from it These case studies are guided by the principle that processes of interweaving performance cultures are in fact political processes The authors explore the inextricability of the aesthetic and the political whereby aesthetics cannot be perceived as opposite to the political rather the aesthetic is the political Helen Gilbert s essay Let the Games Begin Pageants Protests Indigeneity 1968 2010 won the 2015 Marlis Thiersch Prize for best essay from the Australasian Drama Theatre and Performance Studies Association

*Understanding David Henry Hwang* William C. Boles, 2013-12-15 David Henry Hwang is best known as the author of M Butterfly which won a 1988 Tony Award and was a finalist for a Pulitzer Prize and he has written the Obie Award winners Golden Child and FOB as well as Family Devotions Sound and Beauty Rich Relations and a revised version of Flower Drum Song His Yellow Face won a 2008 Obie Award and was a finalist for a Pulitzer Prize Understanding David Henry Hwang is a critical study of Hwang s playwriting process as well as the role of identity in each one of Hwang s major theatrical works A first generation Asian American Hwang intrinsically understands the complications surrounding the competing attractiveness of an American identity with its freedoms in contrast to the importance of a cultural and ethnic identity connected to another country s culture William C Boles examines Hwang s plays by exploring the perplexing struggles surrounding Asian and Asian American stereotypes values and identity Boles argues that Hwang deliberately uses stereotypes in order to subvert them while at other times he embraces the dual complexity of ethnicity when it is tied to national identity and ethnic history In addition to the individual questions of identity as they pertain to ethnicity Boles discusses how Hwang s plays explore identity issues of gender religion profession and sexuality The volume concludes with a treatment of Chinglish both in the context of rising Chinese economic prominence and in the context of Hwang s previous work Hwang has written ten short plays

including *The Dance and the Railroad* five screenplays and many librettos for musical theater The recipient of fellowships from the National Endowment for the Arts and the Guggenheim and Rockefeller foundations Hwang was appointed by President Bill Clinton to the President's Committee on the Arts and the Humanities
