*Chiparus* Alberto Shayo, Demetre Chiparus, 1999 Previously unpublished details of the life of Chiparus are recorded in this book until now not even his birth and death dates had been firmly established making it an invaluable source of information BOOK JACKET *Designing Women* Lucy Fischer, 2003-07-30 Grand sensational and exotic Art Deco design was above all modern exemplifying the majesty and boundless potential of a newly industrialized world From department store window dressings to the illustrations in the Sears Roebuck Co catalogs to the glamorous pages of Vogue and Harper's Bazaar Lucy Fischer documents the ubiquity of Art Deco in mainstream consumerism and its connection to the emergence of the New Woman in American society Fischer argues that Art Deco functioned as a trademark for popular notions of femininity during a time when women were widely considered to be the primary consumers in the average household and as the tactics of advertisers as well as the content of new magazines such as Good Housekeeping and the Woman's Home Companion increasingly catered to female buyers While reflecting the growing prestige of the modern woman Art Deco inspired consumerism helped shape the image of femininity that would dominate the American imagination for decades to come In films of the middle and late 1920s the Art Deco aesthetic was at its most radical Female stars such as Greta Garbo Joan Crawford and Myrna Loy donned sumptuous Art Deco fashions while the directors Cecil B DeMille Busby Berkeley Jacques Feyder and Fritz Lang created cinematic worlds that were veritable Deco extravaganzas But the style soon fell into decline and Fischer examines the attendant taming of the female role throughout the 1930s as a growing conservatism challenged the feminist advances of an earlier generation Progressively muted in films the Art Deco woman once an object of intense desire gradually regressed toward demeaning caricatures and pantomimes of unbridled sexuality Exploring the vision of American womanhood as it was portrayed in a large body of films and a variety of genres from the fashionable musicals of Josephine Baker and Fred Astaire and Ginger Rogers to the fantastic settings of Metropolis The Wizard of Oz and Lost Horizon Fischer reveals America's long standing fascination with Art Deco the movement's iconic influence on cinematic expression and how its familiar style left an indelible mark on American culture **Chiparus** Alberto Shayo, 1993 Born in Romania Demetre Chiparus 1886-1947 studied in Italy and France before settling in Paris where he perfected the chryselephantine technique of combining ivory with bronze Produced as multiples his works were greatly admired as small scale decorative objects and today are among the most coveted objects from the Art Deco period capturing the lively and sensuous spirit of the time **20th Century Decorative Arts** Sotheby's (Firm), 1995 *The Grape Picker* Lucia Cristinoiu, 2020-04-09 The story with the title The Grape Picker was the main reason that I wrote this book It is the story of an accidental trauma of a small child misdiagnosed as child abuse Witnessing the painful experience that the child's parents had to go through the accident itself the accusations against them ACS involvement with subsequent placement of the child in foster care the need to go in court I came out with some conclusions The doctors that are dealing with situations like that

must have certain qualities they have to be less opinionated more flexible on top of being very knowledgeable If they remember the Hippocratic Oath it will also be very helpful particularly the part of not to be ashamed when you don't know how to solve a case and call for other colleagues help when their skills are needed It also affected me very much because the child was my patient My hope is that mistakes like the one described in my story will not happen anymore For me practicing pediatrics was like a bonus to my life Working in this field has been interesting challenging and rewarding It is occasionally sad but more often there were funny moments as this one One day a two year old boy needed to receive a vaccine To distract him I started to ask him questions what his name was Michael his mother's name Mama his father's name Mama calls him John and my name no answer In the meantime I had already administered the vaccine without him realizing it Two days later coming back to pick up a medical form the moment he entered the office he started to spell my entire name correctly and said it out loud And then he added No shots Can you not laugh He was only two years and two months old

**Statuettes of the Art Deco Period** Alberto Shayo, 2016 It is a vast world one enters when writing on the statuettes of the Art Deco era both in terms of the number of artists that contributed to it and the number of figures they created This book studies the influences that shaped these artists work namely the growth of the Ballets Russes under the aegis of Sergei Diaghilev the fascination in all things Egyptian that followed the discovery of Tutankhamun's tomb in 1924 and the Music Hall with all of its venues its stars and its glamor Paris was a magnet for aspiring artists An unrivaled destination for free spending tourists its popularity dwelt in the city's inexpensiveness considering the absence of the dollar and the falling value of the franc A thorough look at its artists and their work can only emerge from long investigation
