The final section looks at word beginnings and endings, spelling patterns and common abbreviations. A dictionary with a difference! A unique feature of this dictionary is the 26 full-page entries where words and pictures are grouped by theme. Browsing through these word collections on subjects as diverse as costumes and time, children will enjoy recognizing known words and concepts and discovering new vocabulary and information. These pages offer many opportunities for discussion and provide the basis for further exploration of a wide range of topics and themes.
