Christie Kaaland,2025-08-21 Offering future school librarians teachers and working librarians an alternative to lengthier
textbooks on children s literature this engaging book introduces readers to the most important genres and current
conversations in the field while leaving them time to read children s literature directly As school librarian and teacher
certification programs become more abridged students require succinct textbooks that still provide a valuable introduction to
the field Working librarians need reference books that allow them to make good selections for their collections Students and
professionals will appreciate *The Children s Literature Selection Handbook K 8* because it offers a needed overview of the
field while allowing for plenty of time to read children s literature Author Christie Kaaland s conversational tone speaks
directly to readers and the book offers students a pathway to engage with literature directly and effectively scaffold their
learning Beginning with an introduction to standard literary fiction genres including a discussion of literature trends and
children s reading interests and needs the chapters turn to the most important genres fiction biography folk literature
picture books informational texts poetry and graphic novels A focus on book series a deep discussion of graphic novels the
inclusion of global literature and review sources for selection and information on publishers and the publishing industry set
this timely book apart from others in the field Reader voices add perspective and charm This compact and engaging book is
the perfect companion to the vast wealth of children s literature that future teachers and school librarians will read during
their professional preparation and share with children and youth as working librarians **The Publisher and Bookseller**
