## Alien Invasion Fiction Media Sensation:

Companion to Victorian Popular Fiction Kevin A. Morrison, 2018-10-29 This companion to Victorian popular fiction includes more than 300 cross referenced entries on works written for the British mass market Biographical sketches cover the writers and their publishers the topics that concerned them and the genres they helped to establish or refine Entries introduce readers to long overlooked authors who were widely read in their time with suggestions for further reading and emerging resources for the study of popular fiction    The Making Sense of Politics, Media, and Law Gary Watt, 2023-04-13 From Trump's make America great again to Johnson's build back better performative politicians use The Making Sense to persuade their public audiences Law makers do it too A courtroom trial is a truth factory in which facts are not found but forged The court of popular opinion is another such factory though its processes are often flawed and its products faulty Where courts of law aim to make civil peace trial by Twitter makes civil strife Even in mainstream media journalists make news for public consumption so that all news is to an extent fake news In a world of making how can we separate craft from craftiness With insights from disciplines including law politics rhetoric media studies psychology sociology marketing and performance studies The Making Sense of Politics Media and Law offers a constructive way to approach controversies from transgender identity to cancel culture This title is also available as open access on Cambridge Core    The Latinx Files Matthew David Goodwin, 2021-05-14 In The Latinx Files Matthew David Goodwin traces how Latinx science fiction writers are reclaiming the space alien from its xenophobic legacy in the science fiction genre The book argues that the space alien is a vital Latinx figure preserving Latinx cultures by activating the myriad possible constructions of the space alien to represent race and migration in the popular imagination The works discussed in this book including those of H G Wells Gloria Anzaldúa Junot Diaz Andrés Carrington and many others often explicitly reject the derogatory correlation of the space alien and Latinxs while at other times they contain space aliens that function as a source of either enlightenment or horror for Latinx communities Throughout this nuanced analysis The Latinx Files demonstrates how the character of the space alien has been significant to Latinx communities and has great potential for future writers and artists    Teaching Postcolonial Environmental Literature and Media Cajetan Iheka, 2021-12-28 Provides strategies for teaching postcolonial environmental literature by writers from the Global South and indigenous peoples Topics and approaches include environmental justice queer ecofeminism animal studies migration anticolonialism petrofiction sea level rise environmental humanities and environmental justice organizations Works from Africa Latin America East Asia and the Caribbean are discussed    The Stone and the Wireless Shaoling Ma, 2021-05-03 In the final decades of the Manchu Qing dynasty in China technologies such as the phonograph telephone telegraph and photography were both new and foreign In The Stone and the Wireless Shaoling Ma analyzes diplomatic diaries early science fiction feminist poetry photography telegrams and other archival texts and shows how writers intellectuals reformers and revolutionaries theorized what media does despite lacking a vocabulary to do

so Media defines the dynamics between technologies and their social or cultural forms between devices or communicative processes and their representations in texts and images More than simply reexamining late Qing China's political upheavals and modernizing energies through the lens of media Ma shows that a new culture of mediation was helping to shape the very distinctions between politics gender dynamics economics and science and technology Ma contends that mediation lies not only at the heart of Chinese media history but of media history writ large **Fast Forward** Holly Willis,2016-08-16 Cinema the primary vehicle for storytelling in the twentieth century is being reconfigured by new media in the twenty first Terms such as worldbuilding virtual reality and transmedia introduce new methods for constructing a screenplay and experiencing and sharing a story Similarly 3D cinematography hypercinema and visual effects require different modes for composing an image and virtual technology motion capture and previsualization completely rearrange the traditional flow of cinematic production What does this mean for telling stories Fast Forward answers this question by investigating a full range of contemporary creative practices dedicated to the future of mediated storytelling and by connecting with a new generation of filmmakers screenwriters technologists media artists and designers to discover how they work now and toward what end From Chris Milk and Aaron Koblin's exploration of VR spherical filmmaking to Rebeca M ndez's projection and installation work exploring climate change to the richly mediated interactive live performances of the collective Cloud Eye Control this volume captures a moment of creative evolution and sets the stage for imagining the future of the cinematic arts
