Reference and Information Services Melissa A. Wong, Laura Saunders, 2020-05-04 This revised and updated sixth edition of *Reference and Information Services* continues the book's rich tradition covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios. *Reference and Information Services* is the go-to textbook for MSLIS and i School courses on reference services and related topics. It is also a helpful handbook for practitioners. Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics. The first half of the book provides an overview of reference services and techniques for service provision including the reference interview, ethics instruction, reader's advisory, and services to diverse populations including children. This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives. The second part of the book offers an overview of the information life cycle and dissemination of information followed by an in-depth examination of information sources by type including dictionaries, encyclopedias, indexes, and abstracts as well as by broad subject areas including government statistics and data, health, and legal information. This second section introduces the tools and resources that reference professionals use to provide the services described in the first half of the text.

A Root Awakening Kate Collins, 2015-02-03 Abby Knight's marriage may be in full bloom but house hunting is no bed of roses in latest novel in the New York Times bestselling *Flower Shop Mystery* series. Now that they've tied the knot, flower shop owner Abby Knight and her husband Marco want to put down roots. When it comes to picking a house, Marco can't wait to get his hands dirty while Abby isn't ready for a fixer-upper. But conflict really sprouts when they're checking out a dilapidated Victorian and watch a construction worker take a life-threatening tumble. Since witnesses claim the man shouted for help suggesting that the fall was no accident, the victim's flamboyant wife hires Marco to find the person responsible. Meanwhile, Abby keeps secret from Marco her own investigation into the home's inhabitants, a family whose off-kilter behavior has aroused her suspicions. If only Abby's very pregnant cousin Jillian will stop distracting Abby with false labor pains, she can conclude her own inquiries before Marco finds out and her case blossoms into a disaster.

Reassessing Murder, She Wrote Eva Burke, Jennifer Schnabel, 2025-03-18 This book provides a critical overview of the cultural impact of the *Murder She Wrote* TV series and its paratextual elements including board and video games, podcasts, fan conventions, collectible figures, and ghostwritten novels. It also explores the series' position within the crime genre, particularly its engagement with earlier iterations of the lady detective. Bringing together a broad range of experts, the book includes contributions from both academics and crime fiction novelists to offer a wide-ranging view of this popular series and its afterlives. Suitable for scholars and students working on popular culture, crime fiction, TV studies, or fan studies, this collection provides an interdisciplinary analysis of one of the most successful and enduring female-fronted detective series in history.

Florist Grump Kate Collins, 2015-10-27 From the New York Times

bestselling author of *A Root Awakening* feisty florist Abby Knight is back with another knotty murder to solve in the next *Flower Shop Mystery* *Life in Bloom* Stopping to smell the roses should be a must for flower shop owner Abby Knight but stress has turned her into a major grump While their house is under construction Abby and her new husband Marco are living with her parents who are driving her nuts Not to mention that everyone has babies on the brain with her cousin Jillian s bundle of joy popping up in every conversation and Marco s mother dropping hints that she expects a new sprout from Abby and her son as soon as possible But things get even thornier after a flashy former banker pushes up daisies With a beloved window washer the prime suspect in the murder other New Chapel shop owners rally around Abby and Marco to prove his innocence With Abby s energy wilting she has to be on high alert or she and Marco may not live to see their new home
