*Cubans in the Confederacy* Phillip Thomas Tucker, 2002-05-24 The role of Cubans in the American Civil War is seldom appreciated This work is the first to provide a close look at the often distinguished services they performed Although Cubans are recorded in the rosters of both Union and Confederate forces Cuban ties with the Confederacy were particularly strong partly because Cuban patriots fighting for liberation from Spain tended to identify with the Southern cause as a revolutionary struggle This work will focus on the biographies of three Cubans who served the Confederate army in the War Between the States Darryl E Brock offers a detailed portrait of Jose Agustin Quintero who served as the South's most effective diplomat Michel Wendell Stevens writes on Ambrosio Jose Gonzales who rose to the rank of colonel and served some of the Confederacy's best known generals Finally Richard Hall provides an intimate sketch of Loreta Janeta Velazquez a soldier and spy for the Confederacy who infiltrated as a double agent the operations of Northern spymaster Lafayette C Baker

**Latinx Civil Wars** Jesse Alemán, 2026-02-10 The mid nineteenth century was a crucible for the emergence of US Latinidad Against the backdrop of the US Mexico War the Cuban wars of independence and the American Civil War Latinx identity took shape in fractured and contested ways through struggles over race slavery and governance in the United States Mexico and Cuba Latinx Civil Wars uncovers this turbulent history through a rich archive of letters military dispatches journalism and literature that reveal Latinx identity as itself at war during the long Civil War era These embattled writings illuminate how questions of race displacement and assimilation reverberated across national and cultural borders producing competing visions of what it meant to be Latinx in nineteenth century America Alemán reconstructs this contested landscape by bringing together well known figures such as María Amparo Ruiz de Burton Loreta Janeta Velázquez and Rafael Chacón with overlooked participants like Miguel Otero James Santiago Tafolla and Federico and Adolfo Cavada Their lives and words trace a diaspora negotiating the fraught intersections of race class language and national allegiance across Union and Confederate lines Challenging historians and literary scholars alike Latinx Civil Wars demonstrates how the formation of Latinx identity was entangled with slavery independence racialization and rebellion revealing Latinidad as a product not of unity but of conflict and contradiction

**Two Charlestonians at War** Barbara L. Bellows, 2018-02-21 Tracing the intersecting lives of a Confederate plantation owner and a free black Union soldier Barbara L Bellows Two Charlestonians at War offers a poignant allegory of the fraught interdependent relationship between wartime enemies in the Civil War South Through the eyes of these very different soldiers Bellows brings a remarkable new perspective to the oft told saga of the Civil War Recounted in alternating chapters the lives of Charleston natives born a mile apart Captain Thomas Pinckney and Sergeant Joseph Humphries Barquet illuminate one another's motives for joining the war as well as the experiences that shaped their worldviews Pinckney a rice planter and scion of one of America's founding families joined the Confederacy in hope of reclaiming an idealized agrarian past and Barquet a free man of color and brick mason fought with the Union to claim his rights as an American citizen Their circumstances set the two men on seemingly divergent paths that nonetheless

crossed on the embattled coast of South Carolina Born free in 1823 Barquet grew up among Charleston s tight knit community of the colored elite During his twenties he joined the northward exodus of free blacks leaving the city and began his nomadic career as a tireless campaigner for black rights and abolition In 1863 at age forty he enlisted in the 54th Massachusetts Volunteer Infantry the renowned Glory regiment of northern black men His varied challenges and struggles including his later frustrated attempts to play a role in postwar Republican politics in Illinois provide a panoramic view of the free black experience in nineteenth century America In contrast to the questing Barquet Thomas Pinckney remained deeply connected to the rice fields and maritime forests of South Carolina He greeted the arrival of war by establishing a home guard to protect his family s Santee River plantations that would later integrate into the 4th South Carolina Cavalry After the war Pinckney distanced himself from the racist violence of Reconstruction politics and focused on the daunting task of restoring his ruined plantations with newly freed laborers The two Charlestonians chance encounter on Morris Island where in 1864 Sergeant Barquet stood guard over the captured Captain Pinckney inspired Bellows compelling narrative Her extensive research adds rich detail to our knowledge of the dynamics between whites and free blacks during this tumultuous era Two Charlestonians at War gives readers an intimate depiction of the ideological distance that might separate American citizens even as their shared history unites them
