with her buttons and she helped him exposing her skin to the cool kitchen air Kitchens were always so damned cold when there was no cooking going on She suspected it was the tile but regardless her nipples responded immediately to the temperature change The angle of the kiss was awkward but she was afraid to move and break their connection His hand drifted over the soft material of her bra and she was glad she had worn something with a definite texture silky and light Annie believed she heard voices coming closer to the door and she pulled quickly away listening intently The conversation was muffled and unintelligible but after a few moments she clearly heard her sister say In the kitchen She looked at Eric trying to keep her breath from being fast and audible Maybe we should go somewhere she whispered ducking her head and moving to her hands and knees to crawl out from under the table He grabbed her hips and she gasped looking back at him as he held fast No we can stay here he insisted sliding his hands up her bare thighs Are you sure Live dangerously His hands roamed over ass as he lifted her skirt What color are these panties He probed her crevice through the thin material and she wiggled and sighed arching her back Black she whispered as he pushed her panties aside     *Rogue's Paradise: An Adult Fantasy Romance* Jeffe Kennedy, 2022-08-16 Faerie the land of blood magic and betrayal At last the fae lord Rogue has won everything He has me in his home his bed and I'm desperately in love with him despite my best efforts and better judgment Did I mention I'm pregnant As our child grows inside me the one I'm pledged to give to him I still have no idea what will happen after the birth Though Rogue is attentive in every way a woman could wish for bringing me delirious pleasure and gifts beyond price he still won't or can't tell me what game he's playing Or what the viciously sadistic Queen Titania has to do with our many bargains I'm most afraid that if he betrays us I'll never be able to forgive him Even though I can't stop loving him As war threatens everything we've built as my body swells with the enchanted pregnancy I become more certain with every day that the true enemy lurks within our castle walls And that the man I've vowed eternal commitment to may be the last person I can trust     **Blood and Magic** Ann Gimpel, 2016-07-18 Dark Dangerous Magical Men Who Live to Annihilate Evil Magic didn't just find Luke Caulfield It chased him down bludgeoned him and has been dogging him ever since Some lessons are harder than others but Luke embraces danger upping the ante to give it one better An enforcer for the Coven a large established group of witches his latest assignment is playing bodyguard to the daughter of Coven leaders Abigail Ruskin is chaperoning a spoiled twelve year old from New York to her parents home in Utah Territory when Luke gets on their stagecoach in Colorado A powerful witch herself Abigail senses Luke's magic but has no idea what he's doing on her stagecoach Stuck between the petulant child and Luke's raw sexual energy Abigail can't wait for the trip to end Luke is so attracted to Abigail she's almost all he can think about but he's leery too The child is just plain evil Is Abigail in league with her It might explain the odd attack that took out their driver In over his head he summons enforcer backup Will they help him save the woman he's falling in love with or demand her immediate execution PRAISE FOR THE COVEN ENFORCERS SERIES Ann really has proven her talent with this novel I have enjoyed everything of hers that I've read with this book she shows how
