The children are scared. The mother, Brenna, is unravelling. And when a member of the household staff starts to show symptoms, it leads them down a dark and deadly path. Will they all get out of lockdown alive? Or will isolation be the end of them.      **Annie's Story** Peter Gilboy, 2016-02-16 Annie Taylor feels like she's living in the middle of an Escher painting where up is down and the truth is worse than the lie. Page 4 of cover      **You Betrayed Me** Lisa Jackson, 2020-10-27 A Goodreads Big Thriller of Fall. A twisting, unpredictable new novel of suspense by 1 New York Times bestselling author Lisa Jackson, perfect for fans of the page-turning novels of Harlan Coben, Melinda Leigh, and Gregg Olsen. The constant twists will keep the readers hooked. This is a nonstop thrill ride. Publishers Weekly. The Cahills of San Francisco are famous for two things: their vast wealth and the scandals that surround them. Murder, greed, deadly ambition: some people will do anything to get and keep the Cahills' kind of money. Not that James Cahill wants any of it. He's tried to make his own way, less interested in a future inheritance than in his construction company and in enjoying the many women taken in by the easy charms of a handsome, soon-to-be-rich bad boy. Jackson juices things up with plenty of sexy suspense and a generous amount of high-octane thrills. Booklist. Perhaps there've been too many women. Waking up in a small hospital in Washington State, bandaged and bruised, James barely recognizes the gorgeous blonde who comes to visit. Through the haze of pain and medication, he recalls that she is Sophia, the woman he's been cheating with. Gradually, memories return: his girlfriend Megan had found out about Sophia. Now Megan is missing, her sister is hounding him, and police and reporters are asking questions. James insists he has no idea what happened. Yet he can't escape a feeling of dread. A good mystery that keeps readers guessing until the very end. The Parkersburg News Sentinel. Meanwhile, in a locked room, a woman waits, trapped, petrified, desperate. She thought she knew who to trust. But the betrayal you can't imagine or can't remember may be the most terrifying weapon of all.      **The Secrets You Keep** Kate White, 2017-09-11 You've lost your memory. A woman has been murdered. Your husband is keeping secrets. How do you know who to trust? Months after being involved in a terrible car crash, Bryn Harper is physically healed, but her emotional scars remain raw. She has no memory of the accident and is plagued with bad dreams. When Bryn and her husband, Guy, host a dinner party, Bryn swears money has been stolen while Guy seems unfazed. Bryn confronts the caterer that night and is horrified to discover the woman's brutally slain body the next day. As the case is investigated, Bryn is dragged into a fresh nightmare and learns that Guy is keeping things from her. Another murder occurs, and Bryn realizes the danger is getting ever closer to home. How well does Bryn really know the man she loves? For fans of psychological suspense and compulsive mysteries, don't miss this tense and page-turning novel. *Before I Go to Sleep*
