Angie Jordan's time as a demon hunter proves two things to her. One, hunting is not her destiny. And two, she's not getting out of the demon world any time soon. The only shining light in that darkness having Sebastian back. But after trouble last Halloween broke open new powers for Angie, controlling her growing magic proves too challenging to face alone. Her only hope at mastering the demon witch magic before it overwhelms her rests within the capable hands of her first mentor and teacher. And that requires a trip home to New Mexico. Returning to her family brings unexpected dangers. Threats Angie thought she left behind in New York. And a confrontation with a mysterious enemy who threatens all those she loves. Pushed into a corner, Angie will protect those closest to her no matter the cost. But even Sebastian's help might not be enough against their current enemies. And when Angie must face her worst nightmares, the biggest threat to those around her might not be the demons. The biggest threat might be her.

Darkling Mist Witch Kat Simons, 2024-09-24. Visions of dark shadows past show Angie a terrifying future. New Mexico changed everything for witch Angie Jordan. Now she must face the consequences. And the target on her back that came with her out of the demon realm. Survival means finding answers in the most secret records of the demon hunters. Answers that could save her life and the life of the man she loves. But her search twists in unexpected ways. Revealing centuries old mysteries. The more she learns, the more questions raised. Questions and a new demonic threat. When allies become enemies and enemies become allies, Angie must question everything she thought she knew about herself and those around her. Saving the people she loves will mean opening herself to powers she never wanted. Powers that could kill her. Powers that can kill. And a deadly menace from the demon realms ready to burn down the world. The demon world terrifies her. And if not for the one little twist of genetic misfortune that allows her to open portals into demon realms, Angie's pursuit of witchcraft would be an unquestioned future. Surrounded by

untrustworthy people only having Sebastian by her side again shines any light on Angie's dark present. But complications and hurt feelings haunt them both. And Sebastian weaves plans of his own. Plans that could destroy their newfound trust. Enemies on every side force Angie to do things she thought impossible. To survive she must discover the real extent of her powers. And decide just how far she will go to save her world and the man she loves. Because if she succumbs to her personal demons the real demons win.
