**Instant Phonics Practice** Linda Ward Beech, 2009 Dozens and dozens of ready to use activities give kids fun filled phonics practice and a big boost on the road to becoming successful readers and writers Topics include alphabet recognition initial and final consonants consonant blends short and long vowels and rhymes and word families Activities are effective for RTI and English language learners Flexible and easy to use for independent work day starters or homework For use with Grades K-2 **Phonics Practice Book** Lada Josefa Kratky, 2000-12-28 112 practice pages build mastery of diphthongs blends and structural elements Children create one Phonics Storybook and one High Frequency Word Book per unit 36 total Includes take home activities **Phonics First!** Wilma H. Miller, 2001-03-15 This book of activities gives children practice in learning the various sounds of the alphabet helping them decode new words as well as build on their knowledge of previously learned words The activities cover a wide array of topics including consonant blends and digraphs vowels rhyming words homophones silent letters prefixes suffixes root words plurals syllables and more Many of the worksheets engage children in thinking out new words and putting them in sentence context Others ask students to select a

correct answer from several choices. Some have students working with a partner or using a dictionary to create word lists not found on the worksheet. The words are age appropriate and the reading selections have been created using the Spache Readability Formula. These activities can be used in any reading program with children of all ability levels. They provide the extra practice that most children need as they continue to master intermediate reading skills.
