**Blueprints Pediatrics** Bradley S. Marino, Katie S. Fine, 2013-01-22 Blueprints Pediatrics provides students with a concise need to know review for the pediatrics rotation and the Boards. Each chapter is brief written in narrative format and includes pedagogical features such as bolded key words, tables, figures, and key points. This edition includes 2 new sections For the Boards which presents 10 USMLE style questions and answers/rationales at the end of the book and For the Wards a section of 2 case studies per chapter. 40 to 50 cases total. This edition includes 26 full color dermatology and infectious disease photographs and multicolored flow diagrams of congenital heart defects. A website on thePoint includes the e-Book and 50 100 bonus questions in a question bank.

**Positive Discipline** Jane Nelsen, Ed.D., 2011-05-25 For twenty five years Positive Discipline has been the gold standard reference for grown ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment; she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind so that any child, from a three year old toddler to a rebellious teenager, can learn creative cooperation and self discipline with no loss of dignity. Inside you'll discover how to bridge communication gaps, defuse power struggles, avoid the dangers of praise, enforce your message of love, build on strengths not weaknesses, hold children accountable with their self respect intact, teach children not what to think but how to think, win cooperation at home and at school, meet the special challenge of teen misbehavior. It is not easy to improve a classic book, but Jane Nelson has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you. Sal Severe, author of *How to Behave So Your Children Will Too*. Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well adjusted life with this proven treasure trove of practical advice.
